

PROJECT System 3 Air Handling Unit Replacement Provincial Correctional Centre	PROJECT NO. 2290-18030 (18-185)
DESCRIPTION Addendum No. 1	DATE September 4, 2018

Item No. 1 Reference Specifications

.1 Acceptable Products

The following are considered as acceptable manufacturers of the items listed as specified. In each case it is the responsibility of the manufacturer's representative to select specific products that meet the specifications in all significant respects. Products offered will be subject for review and acceptance at the shop drawing stage. Contractors are to satisfy themselves that products offered meet the specifications and fit in the available space as no extra charge will be considered if they are later found to be unsuitable.

Hydronic Heating Coils	-	York
Return Fan	-	Twin City Fan
