# Addendum

## **Kitchen HRU Replacement Souris Hospital 2680-18061**

**ADDENDUM # 03**

**Date : November 13, 2018**

**Page 1 of 1**

The following amendment to the tender documents is effective immediately. This addendum shall form part of the contract documents.

**Note: Please indicate this addendum number on the Contract Tender Form.**

Item	Description
A - 3 - 1	Ductwork insulation shall be covered with suitable material to ensure the installation is weather proof.
A - 3 - 2	Reference M1 Note 5. The existing remote condenser shall be disconnected, capped, and relocated on the roof. It is the intent that this unit will only be relocated within the reach of the boom truck which would typically lower the unit down for disposal.
A - 3 - 3	Reference M1 Note 13. A new remote condenser will be installed in the same location as the existing remote condenser, once the existing remote condenser is relocated.
A - 3 - 4	The project is expected to be completed and billed by the end of March 2019, with holdback payments being paid out after March 2019.
A - 3 - 5	Roof curb for HRU to be insulated. Ensure roofing is properly repaired to match existing once existing Roof curb is removed.
