TO: All Bidders

FROM: Procurement Services

DATE: 15-Nov-2018

SUBJECT: Questions and Answers

Q1: Can companies from outside Canada bid on this RFI?

A1: This RFI is an open request for information. Businesses from outside Canada can submit a proposal on this RFI; however the company must be registered to do business in PEI before the Province can execute an Agreement with a Proponent. Refer to Section 2.2 of the RFI for details about Business Registration.

Q2: Do Proponents need to come to Prince Edward Island, Canada for meetings?

A2: Government of PEI is simply issuing a request for information. This process is strictly expected to gather information from proponents in this area of work. No formal meetings with proponents will take place at this stage of the process.

Q3: Can the successful proponent perform tasks (related to RFI) outside Canada?

A3: The Government of PEI is open to certain tasks being performed outside of Canada. Details will be confirmed during the next stage of the process when a formal RFP might be posted.

Q4: Can proponents bid on this RFP via email?

A4: Bids will not be accepted via email. Section 1.4.3 of the RFI states - "The Province will not accept proposals submitted by facsimile transfer, email, or any other electronic means."
