PART 1 – INVITATION AND SUBMISSION INSTRUCTIONS

1.1 Invitation to Proponents

This Request for Proposals (the “RFP”) is an invitation by the Province Prince Edward Island (“the Province”) to prospective Proponents to submit proposals for the **distribution of the 2018 Visitor Exit Survey** as further described in the **RFP Particulars (Appendix D)** (the “Deliverables”).

Access to up-to-date and reliable visitor information is fundamental to the success of the tourism industry. Data sources that are rich both in scope and reliability are invaluable to a large number of users including tourism planners, marketers, economists, politicians, civic leaders, and tourism operators. Tourism Prince Edward Island (TPEI) has conducted visitor exit surveys for over 35 years. This has enabled TPEI to identify the benefits of tourism, and to collect comprehensive statistics on the volume of travelers, and detailed characteristics of their trips.

Currently, TPEI is administering the 2018 PEI Visitor Exit Survey (July 2018 through June 2019) and it is expected that the survey has the potential to: shape industry and government policy; inform marketing for travel and tourism on Prince Edward Island (PEI); and to better understand visitors’ behaviours and the impact of tourism on our community. The surveys are designed to generate significant insights into opportunities to promote tourism in off and shoulder-seasons, and to specific target markets such as Chinese and Japanese travelers and campers.

For the purposes of this procurement process, the “RFP Contact” shall be:

The Mandatory Submission Requirements are as follows:

2.2.1 No Amendment to Forms

Other than inserting the information requested on the mandatory submission forms set out in the RFP, a Proponent may not make any changes to any of the forms. Any proposal containing any such changes, whether on the face of the form or elsewhere in the proposal, will be disqualified.

2.2.2 Submission Form (Appendix B)

Each proposal must include a completed **Submission Form (Appendix B)** signed by an authorized representative of the Proponent.

Each proposal must include a Submission Pricing Form (**Appendix C**) completed according to the instructions contained in the form.

2.3.3 Selection of Highest Scoring Proponent

After the completion of Stage III, all Stage II scores are brought to zero, and each Proponent will be ranked based on its Pricing score alone. The Proponent with the highest Pricing score will be selected to enter into the Agreement in accordance with Part 3. Upon finalization of the Agreement with the Province, the Proponent shall thereafter be known as the successful Proponent.

2.4 Notification to Other Proponents

Once an agreement is finalized and executed by the Province with a Proponent, the other Proponents will be notified in accordance with the Terms and Conditions of the RFP Process (Part 3).

<https://www.princeedwardisland.ca/en/topic/business-name-registration>

The status of a Proponent's business registration does not preclude the submission of a proposal in response to this RFP. A proposal can be accepted for evaluation, regardless of (i) whether the company is registered, or (ii) whether its business registration is in good standing. However, if the Proponent is selected as the successful Proponent, that Proponent must bring itself into compliance prior to the execution of the Agreement.

APPENDIX C – SUBMISSION PRICING FORM

1. Instructions on How to Complete Submission Pricing Form

- (a) Rates shall be provided in Canadian funds, inclusive of all applicable duties and taxes except for HST, which must be itemized separately.
- (b) Rates quoted by the Proponent shall be all-inclusive and shall include all labour and material costs, all travel and carriage costs, all insurance costs, all costs of delivery, all costs of installation and set-up, including any pre-delivery inspection charges, and all other overhead, including any applicable fees or other charges. Expenses associated with professional time to distribute the surveys must be based on a per diem (daily rate) per resource. Mileage costs should be quoted at TPEI's accepted rate of 40.5 cents per kilometer.
- (c) **Note: please provide a separate budget, based on a per diem rate, for processing completed surveys should TPEI choose to engage for these services.**

2. Evaluation of Pricing

Pricing is worth 15 points of the total score.

Pricing will be scored based on a relative pricing formula using the rates set out in the Pricing Form. Each Proponent will receive a percentage of the total possible points allocated to price for the particular category it has bid on, which will be calculated by dividing that Proponent's price for that category into the lowest bid price in that category. For example, if a Proponent bids \$120.00 for a particular category and that is the lowest bid price in that category, that Proponent receives 100% of the possible points for that category ($120/120 = 100\%$). A Proponent who bids \$150.00 receives 80% of the possible points for that category ($120/150 = 80\%$), and a Proponent who bids \$240.00 receives 50% of the possible points for that category ($120/240 = 50\%$).

Lowest rate

----- x Total available points = Score for second-lowest rate

Second-lowest rate

Lowest rate

----- x Total available points = Score for third-lowest rate

Third-lowest rate

And so on, for each proposal.

Pricing Form

Bidders should propose a financial model that clearly defines how they propose to be compensated for all of the required services.

Prepare a fixed price for your proposed services. Provide appropriate details to support these figures, including estimates of the work effort and a breakout of expected expenses.

C.1 Fixed Cost – Time and Materials for Initial Contract Period

Prepare the following table for inclusion in your proposal:

Cost Element	Cost (CDN)
Professional time	\$
Project Management and Administrative Support	\$
Travel & Projected Expenses (C.3)	\$
Other Expenses (C.4)	\$
Total	\$

C.2 Per Diem Rates

Prepare the following table for inclusion in your proposal. Identify the names of all persons who will contribute to the routine management and/or the performance of the required services, and their per diem rate. Per Diem rates are based on a **seven and half-hour work day**, and do **not** include taxes.

Name	Per Diem Rate	% time assigned to the project
	\$	\$
	\$	\$
	\$	\$

C.3 Travel and Project Expenses

Estimate the travel and living expenses associated with any proposed personnel who will need to travel to and from the primary work location, in order to perform the required work during the contract. Provide relevant details to support your estimates. These are to be included in your estimated costs.

C.4 Other Expenses

Estimate any other project expenses that may be incurred, once the proposed personnel are onsite at the primary work location. These types of expenses will require **prior approval** from the client organization after the contract begins and must comply with Prince Edward Island Government standards. APPENDIX D – RFP PARTICULARS

D.1 Deliverables

D.1.1 Scope of Work

The scope of this engagement is outlined as follows:

a) Survey Distribution

The successful proponent (the Consultant) will be responsible for the overall distribution of surveys, at defined collection points, in accordance with the distribution plan laid out section D.1.2.

b) Initial Project Meeting

At the commencement of this engagement, the Consultant will meet with TPEI representatives to discuss among other things, expectations, issues and reporting tools.

c) Online Data Entry for Collected Surveys (Possible Engagement for Additional Service)

TPEI **may choose** to utilize the services of the Consultant to enter data from completed surveys into our online tool. It is anticipated that there will be approximately 3,000 completed surveys which will require processing. Previous experience suggests that approximately six completed surveys can be entered in an hour. Proponents are asked to include a separate budget in their cost proposal for this work should TPEI choose to engage the Consultant for this service.

D.1.2 2018 Visitor Exit Survey Distribution Plan

The PEI 2018 visitor exit survey is being conducted during the period of July 2018 to June 2019. Survey packages are targeted at all non-resident travelers exiting PEI by way of the Charlottetown Airport, the Wood Islands ferry and the Confederation Bridge. TPEI has established working relationships with management at Strait Crossing, Northumberland Ferries, and the Charlottetown Airport Authority and each organization has agreed to help facilitate the successful distribution of mail back packages.

TPEI is seeking a qualified consultant(s) to execute the distribution of 3,420 exit survey packages, during the months of February through June, at the Charlottetown Airport and at the Wood Islands ferry terminal in accordance with the distribution schedule below.

	Airport		Ferry Terminal		Total	
	# of Days	# of Surveys	# of Days	# of Surveys	# of Days	# of Surveys
February	13	390	0	0	13	390
March	13	390	0	0	13	390
April	13	520	0	0	13	520
May	13	520	12	480	25	1,000
June	13	520	12	600	25	1,120
Total Days	72	2,550	24	1,080	96	3,420

After examining the schedules at the airport and ferry, TPEI has identified tentative dates for survey distribution which appear to align with our methodology and have the greatest probability of achieving desired results. The Consultant will meet with TPEI at the start of each month to confirm the distribution schedule for that month. These dates are as follows:

The Consultant

- Engaged and responsible to TPEI;
- Pick up boxes of survey packages from Tourism PEI's central warehouse (Garfield St., Charlottetown) as needed;
- Carry out the distribution of the 2018 visitor exit surveys in accordance with the distribution plan laid out in Section D.1.2 and agreed upon at the beginning of each month;

D.3 Mandatory Technical Requirements

All proposals must include completion of Appendix B – Submission Form and Appendix C – Submission Pricing Form before evaluation on the rated criteria will be considered and must be capable of assessment on a pass/fail basis. Failure to adequately meet these requirements may result in disqualification of the proposal.

D.4 Rated Criteria

TPEI will evaluate each compliant proposal on the basis of the following categories and weighted criteria of the RFP. Proponents who do not meet a minimum threshold score for a category will not proceed to the next stage of the evaluation process.

Rated Criteria Category	Weighting (Points)	Minimum Threshold
Understanding of service requirements	20	15
Demonstrated expertise	35	25
Proposed resources, resumes, references	30	20
Price	15	10
Total points	100	70

Suggested Proposal Content for the Evaluation of Rated Criteria

D.4.1 RATED CRITERIA

D.4.1 Understanding of Service Requirements

Provide a concise summary of your understanding of the service requirements defined in this RFP. This content should express in your own words your understanding of providing survey distribution services and not simply recite the requirements as defined in this RFP.

D.4.2 Demonstrated Expertise

Outline your company's experience with comparable projects. Describe any similarities to or differences from this project.

D.4.3 Proposed Resources, Resumes and References

The Proponent should be able to demonstrate that its **proposed team as a whole** meets or exceeds the RFP requirements. Prepare the table below to identify **all** personnel who will be assigned to the project and contribute to (i) the **routine management** and/or (ii) the **performance** of the required services. As shown, provide each person's name, title, role on this project, experience in this role and his/her respective employment status.

Name	Title	Project Role	Role Experience (# months)	Employment Status (E = employee, C = contractor, P = partner)

TPEI encourages innovation and competition in the Proponent community through arrangements such as partnerships and consortiums. If sub-contractors or partners of a Proponent are permitted for this project, they must be identified in your table. If so, describe the general range of services that the respective contractors (companies or individuals) provided and how this benefits your company. If no contractors or partners are identified, this will be interpreted to mean that only a Proponent's 'own resources' will be used.

Submit the individual **resumes** for each proposed resource. The resumes should be structured to emphasize their relevant qualifications and experience in successfully completed projects of a similar size and scope to that required by this RFP.

Each resume should include **at least two project references** where the proposed individual served in a similar role, including:

- Name of organization
- Name, title, telephone number and email of a contact for the organization
- Brief description of the scope, complexity, dates and duration of the project
- Role the proposed individual played in the referenced project
