Addendum clarification:

If the tenderer is not able to provide a Consent of Surety as required in Item 11 (to accompany the Tender Security / Bid Bond), then Slemon Park Corporation will consider a certified cheque equal to and not less than 10% of the Tender amount as an acceptable form of Contract Security. If a certified cheque is provided as the Tender Security, it will also be held by SPC as the Consent of Surety.

In lieu of the Performance / Labour & Material bonds in the amount of 50% of the total contract price as noted in Supplementary GC 11.2, the certified cheque provided as part of the tender submission will be held as the Contract Security.
