ADDENDUM # 2

For RFP #5085

TO: All Bidders

FROM: Procurement Services

DATE: July 13, 2018

SUBJECT: Response to Questions

Q1. The RFP in section C1 infers that you have a preference for perpetual licensing. Would you accept a subscription-based licensing model meets the requirements of your budget?

A1. See Addendum # 1 A1. Note: in 2.3.1 Rated Criteria we show, 23% of ratings for C.1.1 Product Pricing. We would have to compare total costs over a 5 year period to make a reasonable comparison of perpetual vs subscription-based models.

Q2. Is your expectation that the contractor will purchase the licenses and resell to GPEI or will you accept a bid by a consortium of contractors submitting a joint bid?

A2. No, GPEI will be purchasing the licenses directly from the manufacturer, based upon the costing models submitted by the successful contractor.

END OF ADDENDUM.

Please return this sheet with your formal bid proposal.
