PART 1 – INVITATION AND SUBMISSION INSTRUCTIONS

1.1 Invitation to Proponents

This Request for Proposals (the “RFP”) is an invitation by Tourism PEI (“TPEI”) to prospective Proponents to submit proposals for providing **2019 Cruise Survey interceptor services** as further described in the **RFP Particulars (Appendix D)** (the “Deliverables”).

Access to up-to-date and reliable visitor information is fundamental to the success of the tourism industry. Data sources that are rich in scope and reliability are invaluable to a large number of users including tourism planners, marketers, economists, politicians, civic leaders, and tourism operators. TPEI has conducted cruise visitor surveys since 2007. This has enabled TPEI to identify the benefits of cruise to PEI’s tourism industry, and to collect comprehensive statistics on the volume and characteristics of cruise ship visitors and their trip to Prince Edward Island (PEI).

TPEI wishes to conduct a cruise visitor survey during the 2019 cruise season. The cruise sector has been a significant and growing contributor to PEI’s tourism economy. Cruise has helped to strengthen PEI’s tourism performance during the shoulder seasons (i.e. May and June & September and October) and has spurred considerable investment on Charlottetown’s waterfront. The cruise visitor survey is expected to: inform marketing and product development efforts; and to improve our understanding of cruise visitors’ behaviours, spending habits and their impact on our community.

1.2 RFP Contact

For the purposes of this procurement process, the “RFP Contact” shall be:

The Mandatory Submission Requirements are as follows:

2.2.1 No Amendment to Forms

Other than inserting the information requested on the mandatory submission forms set out in the RFP, a Proponent may not make any changes to any of the forms. Any proposal containing any such changes, whether on the face of the form or elsewhere in the proposal, will be disqualified.

APPENDIX C – SUBMISSION PRICING FORM

1. Instructions on How to Complete Submission Pricing Form

- (a) Rates shall be provided in Canadian funds, inclusive of all applicable duties and taxes except for HST, which must be itemized separately.
- (b) Rates quoted by the Proponent **shall be all-inclusive** and shall include all labour and material costs, all travel and carriage costs, all insurance costs, all costs of delivery, all costs of installation and set-up, including any pre-delivery inspection charges, and all other overhead, including any applicable fees or other charges. Expenses associated with professional time to collect cruise passenger information must be priced based on a 7.5 hour per diem (daily rate) per resource. Mileage costs should be quoted at TPEI’s accepted rate of 47.1 cents per kilometer.

2. Evaluation of Pricing

Pricing is worth 15 points of the total score.

Pricing will be scored based on a relative pricing formula using the rates set out in the Pricing Form. Each Proponent will receive a percentage of the total possible points allocated to price for the particular category it has bid on, which will be calculated by dividing that Proponent’s price for that category into the lowest bid price in that category. For example, if a Proponent bids \$120.00 for a particular category and that is the lowest bid price in that category, that Proponent receives 100% of the possible points for that category ($120/120 = 100\%$). A Proponent who bids \$150.00 receives 80% of the possible points for that category ($120/150 = 80\%$), and a Proponent who bids \$240.00 receives 50% of the possible points for that category ($120/240 = 50\%$).

Lowest rate

----- x Total available points = Score for second-lowest rate

Second-lowest rate

Lowest rate

----- x Total available points = Score for third-lowest rate

Third-lowest rate

And so on, for each proposal.

Pricing Form

Bidders should propose a financial model that clearly defines how they propose to be compensated for all of the required services. Prepare a **fixed price** for your proposed services. Provide appropriate details to support these figures, including estimates of the work effort and a breakout of expected expenses. TPEI expects a level of effort that does not exceed the **maximum budget of \$25,000**, plus applicable taxes.

C.1 Fixed Cost – Time and Materials for Initial Contract Period

Prepare the following table for inclusion in your proposal:

Cost Element	Cost (CDN)
Professional time	\$
Project Management and Administrative Support	\$
Travel & Projected Expenses (C.3)	\$
Other Expenses (C.4)	\$
Total	\$

C.2 Per Diem Rates

Prepare the following table for inclusion in your proposal. Identify the names of all persons who will contribute to the routine management and/or the performance of the required services, and their per diem rate. Per Diem rates are based on a **seven and half-hour work day**, and do **not** include taxes.

Name	Per Diem Rate	% time assigned to the project
	\$	\$
	\$	\$
	\$	\$

C.3 Travel and Project Expenses

Estimate the travel and living expenses associated with any proposed personnel who will need to travel to and from the primary work location, in order to perform the required work during the contract. Provide relevant details to support your estimates. These are to be included in your estimated costs.

C.4 Other Expenses

Estimate any other project expenses that may be incurred, once the proposed personnel are onsite at the primary work location. These types of expenses will require **prior approval** from the client organization after the contract begins and must comply with Prince Edward Island Government standards. Provide relevant details to support your estimates. These are to be included in your estimated costs.

APPENDIX D – RFP PARTICULARS

The PEI cruise season started on May 1, 2019 with the inaugural visit of the Zaandam (615 crew and 1432 passengers) and ends on November 4, 2019. A total of 99 ships, 63,302 crew and 146,165 passengers are expected at Port Charlottetown during the 2019 season.

TPEI is seeking the services of a qualified contractor to manage the deployment and performance of a team of interceptors at the Port Charlottetown’s cruise terminal. The interceptors will capture visitor names, origin and email addresses, as well as the date and cruise ship. This will enable TPEI to develop a sampling population for an invitation to participate in an online survey. The Contractor will have an interceptor collect visitor information at the Port in accordance with the visitor information collection plan below. This information will be entered into an excel format. The electronic file and a scanned hard copy (if needed) will be provided to TPEI.

D.1 Scope of Work

The scope of this engagement is outlined as follows:

a) Initial Project Meeting

At the commencement of this engagement, the Consultant will meet with TPEI representatives to discuss among other things, expectations, issues and reporting tools.

b) 2019 Cruise Visitor Information Collection Plan

TPEI is seeking a qualified contractor(s) to manage the collection of the above stated information from approximately 1,050 cruise ship visitors between the months of June and November. These visitors will form a sampling population for the distribution of an online 2019 cruise visitors survey.

Month	Sampling Frame	Target Email Collection	Expected Useable Samples (30%)
June	207	210	63
July	243	245	74
August	254	255	76
September	1,427	1,430	429
October	1,307	1,310	393
November	39	50	15
Total	3,670	3,700	1,050
Expected Margin of Error			±3.01

After examining the schedule for the 2019 cruise season, TPEI has identified tentative dates for information collection that aligns with our methodology and represents the greatest probability of achieving desired results. The Contractor will provide bi-weekly performance updates and will meet with TPEI as needed. The following provides tentative dates and target minimum benchmarks for cruise visitors’ information captured:

D.2 Responsibilities

Tourism PEI

- Engage and provide guidance to the Contractor throughout the duration of the project;
- Engage the Charlottetown Port Authority and serve as intermediary between the Contractor and the Port; and
- Provide a survey interceptor plan and supporting materials (e.g. instructions, information gathering template, etc.).

The Contractor

- Engaged and responsible to TPEI;
- Carry out the 2019 cruise passenger information collection in accordance with the interceptor schedule laid out in Section D.1; and
- Keep TPEI informed on a bi-weekly basis of the progress of information collection and any issues that have been encountered.

D.3 Mandatory Technical Requirements

All proposals must include completion of Appendix B – Submission Form and Appendix C – Submission Pricing Form before evaluation on the rated criteria will be considered and must be capable of assessment on a pass/fail basis. Failure to adequately meet these requirements may result in disqualification of the proposal.

D.4 Rated Criteria

TPEI will evaluate each compliant proposal on the basis of the following categories and weighted criteria of the RFP. Proponents who do not meet a minimum threshold score for a category will not proceed to the next stage of the evaluation process.

Rated Criteria Category	Weighting (Points)	Minimum Threshold
Understanding of service requirements	20	15
Demonstrated expertise	35	25
Proposed project team, resumes, references	25	20
Price	20	15
Total points	100	75

Suggested Proposal Content for the Evaluation of Rated Criteria

D.4.1 RATED CRITERIA

D.4.1 Understanding of Service Requirements

Provide a concise summary of your understanding of the service requirements defined in this RFP. This content should express in your own words your understanding of providing survey distribution services and not simply recite the requirements as defined in this RFP.

D.4.2 Demonstrated Expertise

Outline your company's experience with comparable projects. Describe any similarities to or differences from this project.

D.4.3 Proposed Project Team, Resumes and References

The Proponent should be able to demonstrate that its **proposed team as a whole** meets or exceeds the RFP requirements. Prepare the table below to identify **all** personnel who will be assigned to the project and contribute to (i) the **routine management** and/or (ii) the **performance** of the required services. As shown, provide each person's name, title, role on this project, experience in this role and his/her respective employment status. It is important to note, if the Proponent is employing contractors or partners the Proponent is obligated to ensure such contractors and partners abide by the same obligations regarding Appendix A, clauses 6 and 19.

Name	Title	Project Role	Role Experience (# months)	Employment Status (E = employee, C = contractor, P = partner)

TPEI encourages innovation and competition in the Proponent community through arrangements such as partnerships and consortiums. If sub-contractors or partners of a Proponent are permitted for this project, they must be identified in your table. If so, describe the general range of services that the respective contractors (companies or individuals) provide and how this benefits your company. If no contractors or partners are identified, this will be interpreted to mean that only a Proponent's 'own resources' will be used.

Submit the individual **resumes** for each proposed resource. The resumes should be structured to emphasize their relevant qualifications and experience in successfully completed projects of a similar size and scope to that required by this RFP.

Each resume should include **at least two project references** where the proposed individual served in a similar role, including:

- Name of organization
- Name, title, telephone number and email of a contact for the organization
- Brief description of the scope, complexity, dates and duration of the project
- Role the proposed individual played in the referenced project
