**SUBJECT:** Question and Answer

---

No.	Question	Answer
1	Can you provide information on the set types you have in service by location – it is unclear if the lines in service by site are digital Centrex or analog lines?	<p><i>Initial Response (Addendum 007):</i></p> <p>The Province does not have this information readily available but is actively trying to address this request.</p> <p>The Province will provide a future addendum to finalize the response to this question.</p> <p><i>Final Response (Addendum 008):</i></p> <p>The Province’s use of digital lines is limited. The Province estimates that digital lines comprise less than 5% of its inventory and would consider converting those lines to analog if necessary.</p>
