TO: All Bidders

FROM: Procurement Services

DATE: 26-Nov-2019

SUBJECT: Questions & Answers

Q1: Will partial proposals be accepted (e.g. proposal to cover a single sector such as forestry or wildlife)?

A1: No. The province is seeking a proposal for the comprehensive, province-wide risk assessment including all sectors identified in the Statement of Work (p. 21-24).

Q2: Will the successful proponent be able to subcontract part of the research (e.g. multi-agency or joint proposals)?

A2: As noted in Appendix A – Form of Agreement (Section 20, p. 19), the work “shall not be assigned or subcontracted in whole or in part by the Contractor without the prior written consent of Government”. Proponents considering subcontracting should do their best to identify which aspects of the project and to whom they would subcontract in their proposals.
