

Surplus Equipment

The Stratford Utility Corporation has the following list of

Surplus equipment available to the

highest bidder until Monday July 19, 2021 at 2:00 pm.

1. One 4 M X 9 M (13' X 30') Steel Building complete with steel roof, two man doors, door handles, locks, etc. Must be removed from site at 10 Stratford Road no later than Monday July 26, 2021.
2. One screw auger mechanical screening device complete with all controls and components including; disconnects, switches, drive motor, motor control center, etc. Must be removed from site at 10 Stratford Road no later than Monday July 26, 2021.

Preference will be given to anyone bidding everything as a package deal, however, bids will be accepted for only the building, and for only the screening device with all components. Components will not be sold separately from screening device.

Bids on the building are subject to reserve. Building will not be sold if reserve is not met.

Sealed envelope bid submissions will be accepted until 2:00 PM Monday July 19, 2021. Envelopes must be hand delivered to the front desk at Stratford Town Hall, 234 Shakespeare Drive, or to Infrastructure Maintenance Garage at 21 Hollis Ave.
