PROVINCE OF PRINCE EDWARD ISLAND

INTRODUCTION

The 2026-2027 Capital Estimates represent the capital financial plan of the Province for the Fiscal Year commencing April 1, 2026, and are presented by the Government in support of its request to the Legislative Assembly for authority to spend public monies. This request is formalized through the tabling of the *Appropriation Act (Capital Expenditures) 2026*.

The Capital Estimates and Minister's Budget Address, along with subsequent reporting of financial results in the Public Accounts, assist the Legislative Assembly in holding Government accountable for the allocation and management of public funds.
