Resident of PEI outside Savage Harbour	Good Neighbours Road	Based on my understanding from what I've picked up in the news. Being a good, kind neighbor seems to be a pretty common thing that people in the area like to be. I know my idea is really simple, but I think its simplicity shows

		its thoughtfulness, especially since it's such a contrast to the current name.
Resident of PEI outside Savage Harbour	Awti Maqatgwig	I have no knowledge of Mi'kmaq language, but I did review online resources available through the UPEI Faculty of Indigenous Knowledge, Education, Research and Applied Studies. From what I was able to learn, "Awti" refers to path or trail and "Maqatgwig" refers to big waves or heavy seas. I believe this name is suitable as the existing Savage Harbour Road is the main access to local shorelines and the Gulf of Saint Lawrence is known for often having stormy conditions. This name will provide a positive resolution to the existing use of the term "savage", which is interpreted by some as a derogatory reference to the indigenous people. The new name clearly refers to turbulent ocean conditions while paying respect to the traditional language of the indigenous people.

Resident of Savage Harbour	Route 218	We are not Point Desroche, and Route 218 is part of our address now.
Resident of PEI outside Savage Harbour	Crowbush Harbour Road	Crowbush Harbour Road ties in naturally with the renamed Crowbush Cove Small Craft Harbour and keeps a name locals already recognize. It keeps the sense of place while connecting smoothly with the new community identity, Twin Drift Shore.
Resident of Savage Harbour	Jake's Road	Jake Mosher died in 2016, I believe this would be a great tribute.
