

Prince Edward Island Department of Agriculture STRATEGIC PLAN 2025-2029

VISION

A sustainable, prosperous, innovative, healthy, and resilient agriculture sector in Prince Edward Island.

MISSION

Working together, we grow and enable a strong and vigorous agriculture sector for the well-being of Prince Edward Island through effective policies, legislation, programs, services, and research.

OUR VALUES

PARTNERSHIP We bring people together to better the agriculture sector.

EXCELLENCE We strive for excellence and continuous growth.

INNOVATION We encourage new approaches that help the sector thrive and adapt.

DIVERSITY We embrace diversity in people, markets, and the sector.

ACCOUNTABILITY We honour our commitments to our stakeholders and the public.
