PEI Children's Dental Care Program Application for Exemption From Parental Contribution

The Children's Dental Care Program provides dental treatment services to children ages 3-17 who are not covered by a private dental insurance plan.

Parents may be eligible to be exempt from the 20 per cent parental contribution for services under the program, if their combined net family income for last year is below \$30,000.

Please enter your household information in the space provided below

Applicant's name (surname, first name, initials)	Date of birth			Personal Health Number
	D	M	Y	
Mailing Address	City		Postal Code	
Telephone Numbers	Home ()		Work ()	
Name of spouse or common-law partner (surname, first name, initials)	Date of birth			Personal Health Number

Please note: You must provide proof of your net family income for this application to be approved.

Acceptable proof of your net family income is:

- a Notice of Assessment or Reassessment from your last year's tax return;
- an Option 'C' printout provided by Canada Customs and Revenue Agency; or
- a copy of your latest GST credit cheque statement that shows your net family income

T4 slips and/or income tax returns are NOT proof of net family income as they have not been verified by Canada Customs and Revenue Agency.

Statement of Information Accuracy

I certify that the information provided on this application for the PEI Children's Dental Care Program is accurate and true. I consent to the verification of this information. I understand that it is an offence to give false information in this application.
