Dear Parent or Guardian:

Children ages 3 to 17—whose families do not have private dental insurance—are eligible to receive dental treatment services under the Children's Dental Care Program (CDCP).

Children covered under the Interim Federal Health Program (IFHP) are eligible to receive supplemental dental treatment services under the Children's Dental Care Program.

Please complete this form prior to your children receiving dental treatment under the CDCP.

This declaration expires on **December 31 each year.**

Please enter your household information below:
