## FREQUENTLY ASKED QUESTIONS

### **1. What is a Statement of Professional Standing?**

A Statement of Professional Standing is an official document that attests to your teacher certification in the province of Prince Edward Island. It confirms that your right to teach has never been suspended, revoked or cancelled. This Statement provides the Regulator where you are seeking licensing with information with respect to your professional status as a teacher in the province. It informs the Regulator with respect to whether your authorization to teach has ever been taken away for disciplinary reasons or whether you would still be welcome to teach in Prince Edward Island.

### **2. When will I Require a Statement of Professional Standing issued by the PEI Registrar?**

If you are applying for a teacher's license outside of Prince Edward Island, you will be asked by the Regulatory Body to provide a Statement of Professional Standing. A Statement of Professional Standing will be required a) if you completed your initial pre-service teacher education program at the University of Prince Edward Island or b) if you were ever licensed to teach or if you ever held a license to teach in Prince Edward Island. This applies even if you have never taught in the province.

### **3. Who will Require a Statement of Professional Standing?**

The regulatory body responsible for licensing teachers in the jurisdiction where you are planning to teach will require a Statement of Professional Standing. In all Canadian provinces and territories, with the exception of Ontario, teachers are licensed through a branch of government; typically through the ministry of education. In Ontario, the teaching profession is self-regulated and you must apply to the Ontario College of Teachers for your license to teach in that province.
