Food Premises License Classification System

Class 1 – A Fee: \$150

- Food premises where:

- Food is primarily consumed on the premises;
- More than 25 seats are available for patrons; **OR**

- Food premises operating primarily as a restaurant, supermarket, or retail bakery.

Examples include licensed premises, restaurants, dining rooms, supermarkets, retail bakeries, etc.

Class 1 – B Fee: \$75

- Food Premises where:

- Food is primarily consumed on the premises;
- 1 – 25 seats are available for patrons.

Examples include licensed premises, restaurants, cafés and other premises such as take-outs and recreational facility canteens where food is primarily consumed on the property/premises.

Class 2 Fee: \$55

- Food premises where food is primarily consumed off the premises.

Examples include take-outs or other similar food premises where food is primarily consumed off the property/premises (no seating available) such as convenience/grocery stores, farmer's market vendors, farmer's market organizers, home food production, mobile units, retail meat outlets, breweries, wineries and distilleries.

Class 3 – A Fee: \$37.50

- A food vendor who provides food service at one temporary event per year.

Class 3 – B Fee: \$55

- A food vendor who provides food service at more than one temporary event per year, **OR**

- The organizer of a temporary event where food service is available to the public.

This class includes event organizers and food vendors

Class 4 Fee: \$0

- A community organization where:

- Food is processed, prepared, packaged, handled, served or offered for sale or sold; **OR**;

- An institution where:

- Food is served primarily for consumption by clients of that institution;

The food service is primarily non-commercial.

Examples include banquet facility/church hall, hospitals and non-profit school cafeterias and canteens
