

Instructions – For Non-Surgical Gender-Affirming Procedures Provided Inside or Outside of Prince Edward Island

- A. For gender-affirming procedures that are non-surgical in nature (i.e., not performed by a surgeon), some coverage is available (see Appendix C for details).
- B. For non-surgical procedures that must be obtained outside of Prince Edward Island, applications for funding, should be made to the Health PEI Gender-Affirming Clinic.
- C. The Gender-Affirming Procedure Policy details clinical parameters for care (see Appendix A for details).
- D. In order to apply for coverage for the above procedures, patients should submit this application form to the Gender-Affirming Clinic.
- E. Applications will be processed by the Gender-Affirming Clinic to ensure they are complete, then forwarded to for technical review to the Gender-Affirming Procedure Approval Committee. Follow-up information, as well as consent for disclosure (particularly if a primary care provider is supporting this application) may be required to process the application.
- F. Approval or non-approval will be communicated directly to the patient and copied to the patient's primary care provider (unless the patient requests otherwise).
- G. If the requested procedure, cannot be covered, as determined by the technical reviewers, appeals can be made to the Director of Primary Care and Chronic Disease, Health PEI. Decisions on appeals will be made in conjunction with Medical Affairs.
- H. Applications for funding for gender-affirming non-surgical procedures, can be sent via mail, fax, or e-mail to:
