

Application to Install or Alter a Petroleum Storage Tank or Storage Tank System

Under subsection 5(1) of the Petroleum Storage Tanks Regulations made under the *Environmental Protection Act* R.S.P.E.I. 1988 Cap. E-9 requires a person to apply to the Minister for approval before installing or altering a storage tank or storage tank system. All applicable sections of this form must be completed.

Personal information on this form is collected under subsection 5(1) of the Petroleum Storage Tanks Regulations as it relates directly to and is necessary for an application to install or alter a storage tank system. If you have any questions about the collection of this personal information, you may contact Chief Inspector, Inspection Services Branch, (902) 368-5280
