

ON PREMISE SIGNAGE APPLICATION

Program Outline

The Highway Signage Act recognizes the Island's landscape as the single most valuable resource or product for the tourism industry and thus establishes restrictive measures on commercial signage. The Act provides for licencing of on-premise signage and recognizes the Tourism Directional Signage Program as the means of directing traffic to eligible business premises (see separate application). The one-time fee charged for On Premise Signage permits is \$25.00 plus HST.

Eligibility and Application

All signage meant to be seen from any public road is covered by the Highway Signage Act. Exempted are the Cities of Charlottetown and Summerside, the Resort Municipality of Stanley Bridge, Hope River, Bayview, Cavendish, North Rustico, Alberton, Borden-Carleton, Cornwall, Georgetown, Kensington, Miltonvale Park, Montague, New Haven-Riverdale, Stratford and Souris all of which administer their own their own signage by-laws, maintaining provincial standards.

General Requirements

On-premise signs advertising a business, commodity, service industry or any activity that is being sold, offered or conducted are controlled by the Act. **On-premise signage must be erected on the property where the business operates.** Size is limited to 2.97 sq. meters (32 sq. ft.) at the property line but may increase by 1 sq. meter (3.8 linear sq. ft.) for each linear foot the sign is set back from the property line to a maximum of 13.94 sq. meters (100 sq. ft.) The height of an individual sign must not exceed 2.42 sq. meters (26.05 sq. ft).
