

# Prince Edward Island High School Graduation Certificate for Mature Students

## Overview

The purpose of the PEI High School Graduation Certificate for Mature Students is to provide mature students with a route to a high school graduation certificate that prepares students for admission to a university, college or other post-secondary education programs.

## Eligibility

- Must be 19 years of age
- A resident of Prince Edward Island
- Have not graduated from high school
- Out of high school for at least two years

## Credits toward the High School Graduation Certificate for Mature Students can come from the following:

- Grade 11 or 12 level credits from the Public Schools Branch or the French Language School Board earned by attending high school
- By completing grade 11 or 12 level credits by attending the Holland College Adult Education Program

## Courses/ Credits

Must have completed grade 10 and have twelve (12) credits at either the grade 11 or 12 level. Five (5) of the twelve (12) credits must come from the grade 12 level.

## The compulsory credits are:

- English/French Language Arts grade 12 level (1 credit)
- Mathematics grade 11 or 12 (1 credit)
- Science grade 11 or 12 (1 credit)
- Social Studies grade 11 or 12 (1 credit)

The remaining elective credits must come from the either the grade 11 or 12 level.
