Terms and Conditions

I/we acknowledge and agree that:

1. The property and/or business that is the subject of this application under the **efficiencyPEI** Solar Electric Rebate Program is registered with the Tax Administration and Property Records Division of the PEI Department of Finance in my/our name.
2. I/we have not defaulted on a previous loan with the Government of PEI or a Provincial Crown Corporation.
3. The eligibility of specific rebates under the **efficiencyPEI** Solar Electric Rebate program shall be determined by **efficiencyPEI**.
4. Site assessments by **efficiencyPEI** staff may be required and I/we agree to allow reasonable access to my/our/the property/business and building during normal business hours.
5. If I/we are receiving any other Government of PEI or federal government funding for the implementation of upgrades subject to this application I/we will disclose this funding to **efficiencyPEI**. Funding received from all government sources will not exceed the total cost of upgrades.
6. I/we am/are completely responsible for the quality and adequacy of any upgrades approved for rebates, which includes the responsibility for ensuring compliance with any and all applicable regulatory requirements, including any building code, electrical code, safety code, municipal bylaw or provincial or federal regulation or statute, and in no event shall the Government of PEI be liable to anyone in whole or in part for the upgrades or any part of the upgrades, including any loss or claim by anyone that may result from the upgrades.
7. All work requiring the connection of electrical components require a "Certificate of Compliance" completed by a licensed electrician as specified in the Electrical Inspection Act R.S.P.E.I. 1988, Cap. E-3 (Canadian Electrical Code Regulations.) Solar PV System must meet all applicable regulations under the Canadian Electrical Code and any additional Provincial laws and regulations.
8. My current electrical utility is hereby authorized to release to **efficiencyPEI** my billing account information, including such details as the name of the account and the number of kilowatt hours of electrical consumption pertaining to the residence of the above noted homeowner.
9. **efficiencyPEI** and my solar installer are permitted to discuss and share details of my solar installation.
10. I am/we are required to inform the contractor who is completing energy upgrades on my/our property and building that the contractor must declare to the Canada Revenue Agency all the funds paid to the contractor for the completion of the work on my/our property or building.

efficiencyPEI is section of the Sustainability Division of the Government of PEI's Department of Environment, Energy and Climate Action.

Ineligible buildings include:

- New construction is not eligible. New construction is defined as dwellings that have not been occupied for a period of at least 6 months from date of occupancy permit.

Next Steps

1. Confirm eligibility (see Terms and Conditions listed in this application form).
2. Select an approved efficiencyPEI Solar PV Installer from the Network of Excellence list of contractors.
3. Fill out the application form completely and send to **efficiencyPEI** with your most recent electric bill and a quote from your Solar PV Installer. Incomplete information may delay your rebate.
4. Wait for your approval letter of Acceptance before starting with work.
5. Submit paid-in-full invoice and system size to efficiencyPEI to receive your rebate.

Rebate Amounts

Buildings that receive the residential rate on their electric bill

- \$1000 per kilowatt DC
- Up to \$10,000 or 40% of total cost, whichever is lower

Buildings that receive the general service 1 rate or the small industrial rate on the electric bill

- \$350 per kilowatt DC
- Up to \$10,000 or 40% of total cost, whichever is lower
