

ORDERING STATEMENTS OF PROFESSIONAL STANDING FOR TEACHER CERTIFICATION

When you are moving from one province or territory to another, you will be required to provide a Statement of Professional not only from the jurisdiction where you completed your initial pre-service teacher education program but also from every jurisdiction where you were licensed to teach. The Statement of Professional Standing must confirm that your license is in good standing and has never been suspended, canceled or revoked. In all of the jurisdictions, with the exceptions of Quebec and the Northwest Territories, you can obtain the form to request your Professional Statement online. The web address for each province is shown here below with special instructions for Quebec and the Northwest Territories.
