DECISION

RE: APPLICATION FOR CERTIFICATION

BETWEEN: Canadian Food and Allied Workers, Local P282, APPLICANT
-and-
G. & G. Pure Milk Dairy, RESPONDENT

This application was filed with the Labour Relations Board on April 8, 1974 and processed in accordance with the Rules of Procedure of the Board. The Board reviewed the documents filed in support of the application as well as an intervention filed by the Respondent on the 23rd day of April, 1974.

The Respondent stated in his intervention that "Local P282, Canadian Food and Allied Workers, to the best of my knowledge does not have a majority of employees appropriate for collective bargaining". This was the sole ground for intervention filed by the Respondent.

The Board has carefully examined the membership evidence filed by the Applicant and is satisfied that the majority position as required by the Board has been achieved.

The Board is further satisfied that the unit applied for is appropriate for collective bargaining and that the Applicant is a trade union within the meaning of the Prince Edward Island Labour Act.

Consequently, a certification order will be issued.

This decision was made by the Labour Relations Board on May 13, 1974 and is issued over the signature of the Chief Executive Officer.
