EC2007-429

ENVIRONMENTAL PROTECTION ACT
SEWAGE DISPOSAL SYSTEMS REGULATIONS
AMENDMENT

Pursuant to section 25 of the Environmental Protection Act R.S.P.E.I. 1988, Cap. E-9, Council made the following regulations:

1. Section 1 of the Environmental Protection Act Sewage Disposal Systems Regulations (EC403/03) is amended
   (a) by the revocation of clause (g); and
   (b) by the revocation of clause (dd).

2. Section 3 of the regulations is amended
   (a) in subsection (5), by the deletion of the words “the Board of Examiners” and the substitution of the words “the authority having jurisdiction”; and
   (b) by the revocation of subsections (7) and (8).

3. The regulations are amended by the addition of the following after section 4:
   4.1 A licensed contractor who holds a site assessor’s license
   (a) is exempt from subsection 4(1); and
   (b) is exempt from subsections 3(3), 4(3) and 4(5) in respect of the requirements of sections 8.1 to 16.

4. Clause 5(1)(c) of the regulations is amended by the deletion of the words “$65” and the substitution of the words “$160”.

5. Clause 16(1.1)(a) of the regulations is amended by the deletion of the words “a source of sewage presently exists on the parcel and,”.

6. Section 17.1 of the regulations is amended by the addition of the following after subsection (4):
   (4.1) The Minister may grant a site assessor’s license to an applicant under subsection (4), notwithstanding that the applicant does not have the post secondary education in a related field that is required by that subsection, if the applicant has practical experience in a related field that the Minister considers to be equivalent to that post secondary education.

7. Section 21 of the regulations is revoked and the following substituted:

21. Notwithstanding any other provisions of these regulations, the authority having jurisdiction may, on application by a licensed contractor, issue an exemption permit to the licensed contractor authorizing the licensed contractor to construct, reconstruct or install a sewage disposal system not authorized herein if the authority having jurisdiction is satisfied that the system to be constructed, reconstructed or installed is satisfactory for the treatment and disposal of the sewage it is to receive.

8. These regulations come into force on 21 July 2007.
EXPLANATORY NOTES

SECTION 1 revokes two definitions that are not needed.

SECTION 2 revokes the requirement to appoint the Board of Examiners and removes references to that Board.

SECTION 3 exempts a licensed contractor who holds a site assessor license from the requirement to obtain a permit to construct, install or modify a sewage disposal system and from the requirement to construct, install or modify a sewage disposal system in accordance with certain provisions of the regulations.

SECTION 4 increases the fees payable for an application for a site suitability assessment.

SECTION 5 removes the requirement for a source of sewage to exist on a parcel before an authority having jurisdiction may approve the installation or construction of a sewage holding tank on the parcel.

SECTION 6 authorizes the Minister to issue a site assessor’s license to a licensed contractor who has practical experience in a related field that the Minister considers to be equivalent to the current requirement of two years of post secondary education.

SECTION 7 clarifies that the authority having jurisdiction may, on application by a licensed contractor, issue to the licensed contractor an exemption permit that authorizes the construction of any sewage disposal system not otherwise authorized by the regulations if the authority having jurisdiction is satisfied that the system is a satisfactory one.

SECTION 8 provides for the commencement of these regulations.
