SECTION 1 provides that a special premises license issued in respect of a golf course may include the playing area of a golf course. The provision authorizes the holder of a special premises license issued in respect of a golf course to sell unopened beer, spirit coolers and wine coolers on the playing area of a golf course and to persons within the licensed premises who are taking the liquor directly on to the playing area of a golf course. A prohibition is also added that specifies, at the time of sale or service of liquor to any person on the playing area of a golf course or to any person within the premises who is taking the liquor on to the playing area of the golf course, that no more than two standard servings of unopened liquor per person may be sold or served.

SECTION 2 changes one of the conditions in respect of the issuance of a tourist home license issued by the Commission. The condition that a tourist home must have not less than four rooms that are rented to the public is changed to three rooms.

SECTION 3 outlines restrictions placed on persons who wish to apply for a ferment on premises license.

SECTION 4 clarifies that persons are prohibited from consuming any liquor in a licensee’s licensed premises before the prescribed opening time of the premises or one-half hour after the prescribed closing time of the premises.
