EXPLANATORY NOTES

SECTION 1 adds definitions for “certificate of inspection”, “salvage vehicle” and “salvage vehicle inspection” and removes a number of terms that are already defined in the Act. It amends the definition of “inspection” to refer to periodic or salvage vehicle inspections and amends the definition of “periodic inspection” to more clearly define it and to distinguish it from a salvage vehicle inspection. Section 1 replaces references in several definitions to “complies with inspection standards” with a more specific reference to “has passed a periodic inspection”. It also makes minor wording changes and spelling and grammar corrections.

SECTION 2 replaces references to “Supervisor” with “Registrar” throughout the Act.

SECTION 3 corrects a spelling error.

SECTION 4 changes requirements that a vehicle “be inspected” to requirements that the vehicle “pass a periodic inspection”. It removes an unenforceable requirement that vehicles exempt from a periodic inspection comply with a certain part of the Act. It also makes other minor wording changes.

SECTION 5 adds a section respecting the inspections required for the registration of a rebuilt vehicle, the requirements for a salvage vehicle inspection, and the issuance of a certificate of inspection.

SECTION 6 clarifies that the parts of certain vehicles listed in subsections (1) to (6.1) shall be inspected during a periodic inspection and adds subsection (6.2) listing the parts of a salvage vehicle that shall be inspected during a salvage vehicle inspection.

SECTION 7 changes references to a vehicle that has “been inspected” and rejected to a vehicle that has “failed to pass a periodic inspection” and been rejected, to clarify the type of inspection the vehicle has undergone. It also makes other minor wording corrections and clarifications.

SECTION 8 makes minor wording corrections and clarifications.

SECTION 9 revokes a license condition that an official inspection station be open at least eight hours each day and four days each week year round. It adds a provision requiring the Registrar to indicate on the license for an official inspection station the type of vehicle that it is authorized to provide inspections for. It also adds a provision prohibiting a person from inspecting and owners or lessees from permitting the inspection of a vehicle at an official inspection station where the station is not authorized to provide inspections for that type of vehicle. It also corrects a spelling error.

SECTION 10 adds a provision listing the requirements for an official inspection station to be authorized for the inspection of salvage vehicles. It also makes minor wording changes and corrects a spelling error.

SECTION 11 adds a new license classification and qualifications required for an authorized inspection mechanic to be authorized to inspect salvage vehicles. It also prohibits an authorized inspection

mechanic from inspecting vehicles other than those he or she has the qualifications and license classification to inspect.

SECTION 12 updates a Department name and adds the trade of Motor Vehicle Body Repair to those a person may be certified in to qualify as an authorized inspection mechanic.

SECTION 13 changes “Director” to “Registrar”, as it is the Registrar who is responsible for the licensing of authorized inspection mechanics.

SECTION 14 clarifies that the inspection referred to is a periodic inspection.

SECTION 15 unfetters the discretion of the Registrar regarding a decision to suspend or terminate a license.

SECTION 16 provides for a minimum fine of \$100 and a maximum fine of \$500 for committing an offence under the Act.

SECTION 17 provides for the commencement of these regulations.
