PUBLIC HEALTH ACT
NOTIFIABLE DISEASES AND CONDITIONS AND COMMUNICABLE DISEASES REGULATIONS AMENDMENT

Pursuant to section 72 of the Public Health Act R.S.P.E.I. 1988, Cap. P-30.1, Council made the following regulations:

1. Clause 2(1)(d) of the Public Health Act Notifiable Diseases and Conditions and Communicable Diseases Regulations (EC560/13) is revoked.

2. Section 7 of the regulations is amended by the deletion of the words “as directed to” and the substitution of the words “as directed by”.

3. The regulations are amended by the addition of the following after section 9:

9.1 (1) A report made under section 33 of the Act shall include
(a) the name of the disease;
(b) the name, age, sex, health number as defined in the Provincial Health Number Act R.S.P.E.I. 1988, Cap. P-27.01, and telephone number, if any, of the person who has or may have the disease and, if the person is a minor, the name and telephone number of the person’s parent or guardian; and
(c) relevant details of the disease.

(2) A report made under section 34 or section 36 of the Act shall include
(a) a general description of the symptoms of the suspected disease;
(b) the number of persons suspected of being infected with the disease; and
(c) the location of the institution, school or child care centre to which the report relates.

(3) A report made under subsection 9(2) of these regulations shall include
(a) the name of the disease;
(b) the name, date of birth and medical record number of the person from whom the specimen was taken; and
(c) the name of the ordering physician or family physician other person who is or has been attending the person referred to in clause (b).

(4) All reports referred to in this section shall include any further relevant information requested by the Chief Public Health Officer.
(5) A report referred to in subsections (1) to (3) inclusive shall be delivered to the Chief Public Health Officer within the following time periods:
   (a) for a disease listed in Schedule I, within one hour;
   (b) for a disease listed in Schedule II or III, within 24 hours;
   (c) for any other notifiable disease or condition or communicable disease, as directed by the Chief Public Health Officer.

9.2 (1) Exposure of a person to an animal suspected or known to be infected with rabies is a reportable event for the purposes of sections 33, 34 and 36 of the Act.

   (2) A report in respect of a reportable event shall be made within one hour of its coming to the attention of the person required to report in accordance with section 33, 34 or 36, as the case may be, and shall include the name, age, sex and telephone number, if any, of the person who has been exposed to the animal and, if the person is a minor, the name and telephone number of the person’s parent or guardian.

9.3 (1) Subject to subsection (2), as a preventive measure against the transmission of gonorrhea, chlamydia or other infectious diseases, a medical practitioner assisting at the birth of a baby shall within one hour of the birth treat the eyes of the baby with a prophylactic solution, dispensed in single use containers, of
   (a) 1% tetracycline;
   (b) 0.5% erythromycin; or
   (c) 1% silver nitrate.

   (2) Subsection (1) does not apply if the parents of the baby provide a written statement directing that subsection (1) not be followed in the case of their baby.

   (3) Before accepting a written statement under subsection (2), the medical practitioner assisting at the birth shall inform the parents respecting
      (a) the reasons why the treatment is recommended;
      (b) the advantages that may be anticipated from the treatment;
      (c) the problems that may arise if the treatment is not given; and
      (d) any side effects that may arise from the treatment.

   (4) A copy of the written statement referred to in subsection (2) shall be added to the baby’s patient record.

4. (1) Subsection 12(1) of the regulations is amended
   (a) in subclause (a)(ii), by the addition of the following after paragraph (I):
      (J) outbreaks of influenza-like illness in health facilities and institutions,
   (b) in subclause (a)(vii), by the deletion of the word “Cancer” and the substitution of the words “Neoplasms (benign or malignant)”;
   and
   (c) by the revocation of clause (b) and substitution of the following:
      (b) an outbreak of any of the following if the disease appears epidemic or the case shows unusual features:

EXPLANATORY NOTES

SECTION 1 revokes clause 2(1)(d) of the regulations. This clause is now unnecessary since the Act and the regulations set out the reporting requirements with respect to notifiable diseases and conditions and communicable diseases.

SECTION 2 amends section 7 of the regulations to correct a typographical error.

SECTION 3 amends the regulations by adding new sections 9.1 and 9.2 to establish the reporting requirements with respect to notifiable diseases and conditions and communicable diseases. The section also adds a new section 9.3 that requires a medical practitioner assisting at the birth of a baby to treat the baby’s eyes with a prophylactic solution against the transmission of infectious diseases, unless directed in writing not to do so by the baby’s parents.

SECTION 4 amends subsection 12(1) of the regulations to add specified notifiable diseases and conditions that are required to be reported to the Chief Public Health Officer.

SECTION 5 amends the regulations by adding Schedules I, II and III, which establish the time periods within which occurrences of specified diseases and conditions are required to be reported to the Chief Public Health Officer.

SECTION 6 provides for the commencement of these regulations.
