HIGHWAY TRAFFIC ACT
COMMERCIAL DRIVER, CARRIER AND AUDIT REVIEW SYSTEMS REGULATIONS AMENDMENT

Pursuant to section 148 of the Highway Traffic Act R.S.P.E.I. 1988, Cap. H-5, Council made the following regulations:

1. Subsection 3(12) of the Highway Traffic Act Commercial Driver, Carrier and Audit Review Systems Regulations (EC21/06) is revoked and the following substituted:

(12) The Registrar shall, on the request of any person, whether made in person or in writing, and on payment of the prescribed fee, provide to the person a copy of a safety rating certificate issued to a driver or a carrier under section 5.
2. Schedule 1 of the regulations is amended by the deletion of the words

| Warning | 1 |

and the substitution of the following:

| Warning | 0 |

3. These regulations come into force on April 5, 2014.

EXPLANATORY NOTES

SECTION 1 clarifies that a copy of the safety rating certificate held by a driver or a carrier may be provided by the Registrar to any person on request and on payment of the prescribed fee. Currently, the regulations seem to require another certificate, rather than a copy of the current one, to be issued whenever such a request is received.

The section also revokes two current obligations for the Registrar
- to provide, on request, a certified abstract of the operating record of a driver or a carrier that outlines any reportable collisions, convictions, and the results of inspections and facility audits of the driver or carrier; and
- to maintain a record of any such information that the Registrar provides on request.

SECTION 2 indicates that no demerit point will be imposed on a driver or carrier who is issued a warning after a CVSA Roadside Inspection. Currently a single demerit point is imposed if a CVSA Roadside Inspection results in a warning.

SECTION 3 provides for the commencement of these regulations.
