SECTION 1 amends the Teacher Certification and Standards Regulations (EC236/04) by adding new sections 18.1 and 18.2. Section 18.1 establishes the required qualifications for a teacher to be employed as a principal of a school, and prohibits the employment of persons who lack those qualifications, effective September 1, 2019, with two exceptions. The first exception allows a school board to continue to employ as principal of a school a teacher who, immediately prior to September 1, 2019, is employed as the principal of that school. The second exception allows a school board on and after September 1, 2019, with the Minister’s approval, to employ a teacher who lacks the specified qualifications as a principal for a term of five years. Finally, the section authorizes the Minister to issue a Statement of Qualification to a teacher who meets the requirements of subsection (2). The new section 18.2 establishes a parallel prohibition, employment qualifications and exceptions with respect to the employment of a teacher as a vice-principal of a school.

SECTION 2 provides for the commencement of these regulations.
