**LOTTERY SCHEMES AMENDMENT ORDER**

Pursuant to section 207 of the Criminal Code of Canada (R.S.C. 1985, Cap. C-46), Council determined the following terms and conditions for the issuance of licenses for the conduct and management of lottery schemes:

**1. The Criminal Code of Canada Lottery Schemes Order (EC884/84) is amended by the addition of the following after subsection 2(1):**

(1.1) Pursuant to section 207 of the Criminal Code, the Minister is *idem* authorized to issue a license for the board of a fair or an exhibition, or an operator of a concession leased by that board, to conduct and manage a lottery scheme, where the Minister has designated that fair or exhibition as one where a lottery scheme may be conducted or managed.

**2. Subsections 3(1) and (2) of the Order are amended by the deletion of the words “\$250” and the substitution of the words “\$1,000”.**

**3. Section 4.1 of the Order is amended**

(a) by the revocation of clauses (a) and (c);

(b) in clause (d) by the deletion of the words “\$2,000” and the substitution of the words “\$4,000”.

**4. Subsections 4.4(2) and (4.1) of the Order are revoked.****5. Subsection 4.5(2) of the Order is revoked.****6. Section 14 of the Schedule to the Order is revoked.****7. This Order comes into force on October 1, 2016.****EXPLANATORY NOTES**

**SECTION 1** amends section 2 of the Lottery Schemes Order to authorize the Minister to issue a license for the board of a fair or an exhibition, or an operator of a concession leased by that board, to conduct and manage a lottery scheme where the Minister has designated that fair or exhibition as one where a lottery scheme may be conducted or managed. The issuing of a license for this purpose is authorized by clause 207(1)(c) of the Criminal Code.

**SECTION 2** amends subsections 3(1) and (2) of the Order to increase the permitted total prize amounts for lottery schemes licensed under those subsections to \$1,000.

**SECTION 3** revokes clauses 4.1(a) and (c) of the Order. These clauses imposed a \$75 prize limit for a regular bingo game, and a maximum prize of \$2,000 for any one game. Licensees will be able to set their own maximums per game, within the more general limits set out in clauses (b) and (d) to (f). Clause (d) has also been amended to raise the amount for an accumulating or build-up jackpot from \$2,000 to \$4,000.

**SECTION 4** revokes subsections 4.4(2) and (4.1) of the Order. Subsection 4.4(2) purported to authorize the Minister to issue a license to the PEI (Satellite) Bingo Association, but this license is one the Minister is authorized to issue under subsection 2(1) of the Order, and therefore subsection 4.4(2) is redundant. Subsection 4.4(4.1) is spent.

**SECTION 5** revokes subsection 4.5(2) of the Order. Subsection 4.5(2) purported to authorize the Minister to issue a license to the Abegweit Band Charities Inc., but this license is one the Minister is authorized to issue under subsection 2(1) of the Order, and therefore subsection 4.5(2) is redundant.

**SECTION 6** revokes section 14 of the Schedule to the Order. This section imposed a minimum number of regular bingo games that must be played at a bingo event. The Department responsible has advised that this is not necessary.

**SECTION 7** provides for the commencement of the amendments to the Order.
