ENVIRONMENTAL PROTECTION ACT
EXCAVATION PITS REGULATIONS

Pursuant to section 25 of the Environmental Protection Act R.S.P.E.I. 1988, Cap. E-9, Council made the following regulations:

1. In these regulations, Definitions
   (a) “abandoned”, in relation to an excavation pit, means that a registration certificate has not been issued for the excavation pit within the previous two years;
   (b) “Act” means the Environmental Protection Act R.S.P.E.I. 1988, Cap. E-9;
   (c) “excavation pit” means any excavation in the ground for the purpose of searching for or removing clay, gravel, sand, shale, subsoil, topsoil, rock or any other surface or subterranean deposit, but does not include
      (i) an excavation made within the boundaries of a highway,
      (ii) a snow-trap constructed to protect a highway from snow accumulation,
      (iii) an excavation in preparation for a structural foundation, or the removal of stored or stockpiled clay, gravel, sand, shale, subsoil, topsoil, rock or any other surface or subterranean deposit that originated from another location, or
      (iv) an excavation designed for water retention and irrigation purposes;
   (d) “highway” means a highway as defined in the Roads Act R.S.P.E.I. 1988, Cap. R-15;
   (e) “license” means a valid and subsisting excavation pit operator license issued under section 4;
   (f) “Minister” means the Minister of Communities, Land and Environment;
   (g) “operate”, in relation to an excavation pit, means to search for, move or remove any clay, gravel, sand, shale, subsoil, topsoil, rock or any other surface or subterranean deposit, or any part of them, and includes the drainage and management of water in the excavation pit or on the property where the excavation pit is located;
   (h) “registration certificate” means a valid and subsisting excavation pit registration certificate issued under section 8;
   (i) “residential premises” includes
      (i) any house, dwelling, apartment, or other place that is occupied or may be occupied by an individual as a residence, or
      (ii) any part of a place referred to in subclause (i) that is or may be occupied by an individual as a residence, but does not include campers, tents or travel trailers used for seasonal occupancy;
   (j) “watercourse or wetland” means a watercourse or wetland as those terms are defined in the Watercourse and Wetland Protection Regulations (EC720/08) under the Act.

2. These regulations and the Design and Operational Criteria for Excavation Pits set out in the Schedule to these regulations apply to the design, development, operation and restoration of all excavation pits except an excavation pit
   (a) located within the boundaries of any municipality as defined in the Interpretation Act R.S.P.E.I. 1988, Cap. I-8, that has enacted bylaws to regulate excavation pits; or
   (b) referred to in section 13.

3. Subject to section 13, no person shall
   (a) develop or operate an excavation pit;
   (b) remove excavated material from an excavation pit; or
(c) institute reclamation procedures in an excavation pit, except under the authority of:
(d) a license issued under section 4; and
(e) a registration certificate issued under section 8 for the pit being developed, operated or restored.

4. (1) A person may apply for a license by submitting to the Minister:
(a) a completed application, including the information specified in subsection (2), in the form approved by the Minister; and
(b) the application fee set out in section 14.

(2) An applicant for a license shall provide the following information in respect of the application:
(a) the applicant’s name and business name, if applicable;
(b) the applicant’s address;
(c) the applicant’s telephone number.

(3) A person may apply for reinstatement of a license that has been suspended under subsection 5(1) at the end of the suspension period specified by the Minister under subsection 5(2) by complying with subsection (1) and providing proof satisfactory to the Minister that the contravention has been corrected.

(4) The Minister, after review of an application submitted in accordance with subsection (1), may grant a license to the applicant.

5. (1) The Minister may suspend or revoke a license or a registration certificate issued under section 8 for an excavation pit if the Minister is satisfied that any one or more of the following conditions prevail:
(a) the excavation pit being operated by the license holder is not designed, located, constructed, or operated in accordance with the requirements set out in these regulations;
(b) the license holder has obtained the license through misrepresentation or fraud;
(c) the license holder, where required to do so, has failed to obtain a registration certificate for an excavation pit pursuant to section 8 of these regulations.

(2) A suspension under subsection (1) remains in force for the period of time specified by the Minister, which shall not exceed the remainder of the period during which the license or registration certificate is valid.

6. Where a license is suspended under subsection 5(1), the license holder may reapply to the Minister under section 4 for reinstatement of the license on the expiry of the suspension period specified under subsection 5(2) by providing proof satisfactory to the Minister that the contravention that gave rise to the suspension has been corrected.

7. (1) A license holder shall not transfer the license to any person.

(2) A license holder shall not:
(a) transfer a registration certificate to any person; or
(b) use a registration certificate for the development or operation of an excavation pit other than the excavation pit for which it was granted.

(3) A license expires on the date indicated on the license, which shall not be more than five years from the date of issuance.

(4) A license holder may renew the license prior to its expiry by submitting a completed application in the form required by the Minister to the Minister, accompanied by the renewal fee set out in section 14.
REGISTRATION CERTIFICATES

8. (1) Subject to section 13, no person shall commence the operation of an excavation pit, or cause the excavation pit to be operated, unless the person is a license holder or an owner of the property who has obtained a registration certificate in accordance with this section for the operation of the excavation pit.

(2) A license holder or owner may apply for a registration certificate for the operation of an excavation pit by submitting to the Minister:
   (a) a completed application in the form approved by the Minister, including the information specified in subsection (3); and
   (b) the application fee set out in clause 14(c) or (d), as the case may be.

(3) The information and other documentation to be provided by an applicant for the purposes of an application under subsection (2) includes:
   (a) if the applicant is not the owner of the parcel of land where the proposed excavation pit is to be operated, the written consent of the owner to the operation of the excavation pit on that parcel of land;
   (b) the real property tax number and the name of the owner as shown on the tax notices under the Real Property Tax Act R.S.P.E.I. 1988, Cap. R-5, for the parcel of land where the proposed excavation pit is to be located;
   (c) a map or plan showing the location, shape, dimensions, approximate area and description of the property on which the excavation pit is to be located and the location of the proposed excavation pit, together with the existing grades of the property on which the excavation pit is to be located;
   (d) details of the existing land use of the location of the proposed excavation pit, including whether the property on which the proposed excavation pit is located is designated under the Prince Edward Island Lands Protection Act R.S.P.E.I. 1988, Cap. L-5;
   (e) details of the use of all land within 500 metres of the boundary of the proposed excavation pit;
   (f) the location and extent of all watercourses and wetlands within the property boundaries or within 250 metres of the proposed excavation pit;
   (g) the details of all drainage from the proposed excavation pit;
   (h) proposed measures to prevent soil eroded from the proposed excavation pit from entering any adjacent watercourses or wetlands;
   (i) a description of all entrances to and exits from the proposed excavation pit;
   (j) the proposed location and size of stockpiles of the matter to be excavated, overburden and waste;
   (k) proposed measures to protect people and livestock from any hazards that may be created by the proposed excavation pit, including fencing and posting of signs that warn of its proximity; and
   (l) other information respecting the proposed excavation pit and its operation that may be required by the Minister in order to assess the application.

(4) A plan referred to in clause (3)(c) may be in the form of an aerial photograph, a survey plan certified by a Prince Edward Island land surveyor or a line drawing made by an applicant, but the applicant shall ensure that any plan submitted for the purposes of this section contains sufficient detail and identifies the location and extent of the features referred to in subsection (3) with sufficient clarity to allow the Minister to properly assess the application.

(5) The Minister shall issue a registration certificate to an applicant if the Minister is satisfied that:
   (a) the application has been made in accordance with the requirements of these regulations; and
   (b) the application submitted under subsection (2)
      (i) includes the information and other requirements referred to in subsection (3) and is otherwise acceptable to the Minister, and
      (ii) adequately provides for the operation of the excavation pit in compliance with the Act and these regulations.
9. (1) A holder of a registration certificate shall display the registration certificate for an excavation pit in clear view at the entrance to the excavation pit for which it was issued.

Display required

(2) A holder of a registration certificate shall not transfer the registration certificate to any person.

Transfer

(3) Where the Minister refuses to issue a registration certificate to an applicant, the Minister shall provide written reasons for the refusal to the applicant.

Reasons for refusal

(4) Unless otherwise specified by the Minister, a registration certificate expires one year after the date on which it was issued.

Expire

(5) The holder of a registration certificate may renew the registration certificate prior to its expiry by submitting a completed application for renewal in the form required by the Minister to the Minister, accompanied by the renewal fee set out in section 14.

Renew

(6) An applicant under subsection (5) shall provide, in respect of the excavation pit to which the registration certificate relates,

(a) the information required under clauses 8(3)(a) and (b); and

(b) any information under clauses 8(3)(d) and (e) that has changed since the issuance of the registration certificate or the previous renewal, whichever last occurred.

Required information

10. (1) When issuing a registration certificate pursuant to section 8, the Minister may require that the holder of the registration certificate give notice of the issuance to the public or particular members of the public in the manner and containing the information directed by the Minister.

Notice to public

(2) The Minister may provide information to the public respecting registration certificates that have been issued for excavation pits and may, in the Minister’s discretion, provide that information by electronic means.

Information provided by Minister

11. The holder of a registration certificate shall, before the excavation pit is abandoned, conduct reclamation procedures and institute safety measures that are acceptable to the Minister, including

(a) sloping of the working faces of the excavation pit;

(b) contouring of pit floors to limit ponding of surface water; and

(c) restricting public access to the excavation pit by appropriate means.

Reclamation procedures

12. (1) The Minister may direct the owner of a property on which an abandoned excavation pit is located to perform activities relating to the closure and reclamation of the pit, if the Minister believes on reasonable grounds that

(a) the slope or grading of the excavation pit is contributing to the release of sediment, silt or surface water runoff that is detrimental to the environment;

(b) the closure and reclamation of the excavation pit would contribute to an improvement in the natural habitat of the area;

(c) the excavation pit may be injurious to the health or safety of a person; or

(d) the excavation pit interferes with or is likely to interfere with the comfort, well-being, livelihood, or enjoyment of life of a person.

Direction by Minister

(2) Clause 3(c) does not apply to an owner of a property referred to in subsection (1) who is acting under the authority of a directive issued by the Minister under that subsection.

Exemption

PITS FOR NON-COMMERCIAL USE

13. The registered owner of a parcel of land in the province is exempt from the requirement to obtain a license or a registration certificate for the operation of an excavation pit located on that parcel of land if the material to be excavated is for private use and is not sold commercially or supplied to any person for resale.

Exemption

(2) The fees specified in subsection (1) are non-refundable.

15. (1) The Schedule to these regulations is hereby adopted and forms part of these regulations.

(2) The operator of an excavation pit shall ensure that the design and operation of the excavation pit comply with the requirements of the Design and Operational Criteria for Excavation Pits set out in the Schedule.

16. The Environmental Protection Act Excavation Pits Regulations (EC753/90) are revoked.

17. These regulations come into force on February 1, 2018.

SCHEDULE

DESIGN AND OPERATIONAL CRITERIA FOR EXCAVATION PITS

1.0 Setback Criteria

1.1 No part of an excavation pit shall be located within 300 metres of any residential premises other than a residence occupied by the holder of the registration certificate for the excavation pit.

1.2 No part of an excavation pit shall be located within 500 metres of any church, school, hospital, nursing home, cemetery, public hall, bathing beach, public skating rink, public park or public playground.

1.3 No part of the site proposed for an excavation pit shall be located within 50 metres of a watercourse.

1.4 No part of an excavation pit, with the exception of the pit access road, shall be located within 60 metres of a highway.

2.0 Pit Operation

2.1 No person shall, in operating an excavation pit, excavate below a line extending horizontally from an adjacent property boundary, within eight metres of that boundary.

2.2 No person shall, in operating an excavation pit, excavate below a gradient line which slopes downward from an adjacent property boundary at a slope of one unit vertical to one unit horizontal.

2.3 No person shall, in operating an excavation pit, excavate below the groundwater table.

2.4 The operator of an excavation pit shall ensure that the interior of the excavation pit is screened from view of every adjacent highway either by a growth of trees of sufficient density or by the creation of an earthen berm.

2.5 The operator of an excavation pit shall control dust on the access road to the excavation pit by means of a method approved by the Minister for that purpose.

2.6 The operator of an excavation pit shall ensure that the excavation pit is not used as a dumping area for garbage and other litter, organic waste or construction and demolition debris.
3.0 Signage

3.1 The registration certificate for an excavation pit shall be posted at the entrance way to the excavation pit and in a position that is viewable from the adjacent public road.

3.2 The mounting post for the registration certificate shall be installed on the right side of the entrance way to the excavation pit.

3.3 The height of the mounting post measured from the ground surface shall be a minimum of 7 feet and a maximum of 10 feet.

3.4 The mounting post shall be buried in the ground a minimum of 4 feet.

3.5 The mounting post dimensions should be a minimum of 6 inches by 6 inches.

3.6 The registration certificate for an excavation pit shall be posted on a plywood backing attached to the mounting post to ensure readability.

3.7 The registration certificate for an excavation pit shall be maintained in a legible condition while it is in force.

3.8 If a registration certificate that is in force becomes illegible, the operator of the excavation pit shall obtain a replacement from the Minister and shall post the replacement in accordance with the provisions of the regulations and this Schedule.

EXPLANATORY NOTES

SECTION 1 establishes definitions for the purposes of the regulations.

SECTION 2 provides that the regulations and criteria in the Schedule to the regulations apply to the design, development, operation and restoration of all excavation pits except those located within a municipality that has enacted bylaws regulating excavation pits, and pits for non-commercial use as set out in section 13.

SECTION 3 prohibits any person from engaging in the specified activities with respect to an excavation pit unless under the authority of a license and a registration certificate for the excavation pit, except a person acting under section 13.

SECTION 4 provides an application process for a license and specifies the information the applicant is required to provide. It also requires a license holder to comply with the regulations and the criteria in the Schedule in carrying out the activities associated with the operation of an excavation pit, and to notify the Minister in writing in respect of any change in the information provided to the Minister in the application for the license.

SECTION 5 authorizes the Minister to suspend or revoke a license or a registration certificate for an excavation pit where the Minister is satisfied that the pit is not designed, located, constructed or operated in accordance with the regulations, the license has been obtained through misrepresentation or fraud, or the license holder has failed to obtain a registration certificate for the pit.

SECTION 6 provides that a license holder whose license has been suspended may reapply for a new license under subsection 4(1) at the expiry of the suspension period if the contravention that gave rise to the suspension has been corrected.

SECTION 7 prohibits the transfer of a license or registration certificate to any person. The section also provides that a license expires not more than five years after it was issued and may be renewed.
SECTION 8 prohibits the operation of an excavation pit except under the authority of a registration certificate, and provides an application process for the issuance of a registration certificate by the Minister. The applicant is required to provide specified information about the location and proposed operation of the excavation pit, including a map or plan of the proposed pit.

SECTION 9 requires a holder of a registration certificate to post it in clear view at the entrance to the excavation pit, and prohibits the transfer of the registration certificate to any person. A registration certificate expires one year after it is issued and may be renewed.

SECTION 10 authorizes the Minister when issuing a registration certificate to require the holder to give notice of it to the public as directed by the Minister.

SECTION 11 requires a holder of a registration certificate to conduct reclamation procedures before abandoning an excavation pit.

SECTION 12 authorizes the Minister to direct an owner of a property on which an abandoned excavation pit is located to perform activities related to the closure and reclamation of the excavation pit in the specified circumstances.

SECTION 13 exempts a registered owner of land from the requirement to obtain a license or a registration certificate for the operation of an excavation pit located on the owner’s land if the material to be excavated is for private use only and is not for sale or resale.

SECTION 14 establishes fees for the purposes of the regulations.

SECTION 15 formally adopts the Schedule to the regulations.

SECTION 16 revokes the Environmental Protection Act Excavation Pits Regulations (EC753/90).

SECTION 17 provides for the commencement of the regulations.

AN ACT TO AMEND THE SOCIAL WORK ACT

DECLARATION RE

EC2017-183

SOCIAL WORK ACT

CERTIFICATION REGULATIONS

AMENDMENT

Pursuant to section 8 of the Social Work Act R.S.P.E.I. 1988, Cap. S-5, after consultation with the Prince Edward Island Association of Social Workers, the Prince Edward Island Social Work Registration Board made, and the Lieutenant Governor in Council approved, the following regulations:

1. Section 2 of the Social Work Act Certification Regulations (EC17/13) is amended
   (a) in clause (h), by the addition of the word “and” after the semicolon;
   (b) in clause (i), by the deletion of the words “; and” and the substitution of a period; and
   (c) by the revocation of clause (j).

2. The regulations are amended by the revocation of the heading “FEES” immediately before section 14.

3. Section 14 of the regulations is revoked.

4. These regulations come into force on March 25, 2017.
EXPLANATORY NOTES

SECTION 1 removes a clause that requires an applicant to submit a fee for the processing of an application for a certificate. The Social Work Registration Board does not charge an application fee and one is not authorized in the Act.

SECTION 2 removes the heading preceding a provision on fees.

SECTION 3 removes a section that prescribes fees from the regulations, as the Board now has authority under the Act to set the amount of fees payable under the Act in bylaws.

SECTION 4 provides for the commencement of these regulations.
