EC2019-439

PRINCE EDWARD ISLAND
LANDS PROTECTION ACT
PETITION TO ACQUIRE A LAND HOLDING
MARIA ANNA WYLES
(APPROVAL)

Pursuant to section 4 and section 9 of the *Prince Edward Island Lands Protection Act* R.S.P.E.I. 1988, Cap. L-5 Council granted permission to Maria Anna Wyles of Southwest Lot 16, Prince Edward Island to acquire a land holding of approximately twenty-five (25) acres of land at Southwest Lot 16, Lot 16, Prince County, Province of Prince Edward Island, being acquired from Cynthia Waite and Jewel MacKay, both of Summerside, Prince Edward Island PROVIDED THAT the said real property is identified for non-development use pursuant to the Land Identification Regulations (EC606/95) made under the said Act.

EC2019-440

PRINCE EDWARD ISLAND
LANDS PROTECTION ACT
PROPERTY NO. 789586, LOT 18, PRINCE COUNTY
IDENTIFICATION FOR NON-DEVELOPMENT USE
AMENDMENT

Pursuant to subsection 9(2) of the *Prince Edward Island Lands Protection Act* R.S.P.E.I. 1988, Cap. L-5, Council amended the condition of non-development use made pursuant to section 2 of the Land Identification Regulations (EC606/95) in respect of approximately nineteen decimal seven seven (19.77) acres of land, being Provincial Property No. 789586 located at Darnley, Lot 18, Prince County, Prince Edward Island and currently owned by Island Ocean Farms Ltd. of Kensington, Prince Edward Island.

Council noted that this amendment will enable subdivision of a parcel of land of approximately seven decimal five (7.5) acres for residential use (single unit dwelling), and determined that following subdivision, identification for non-development use shall continue to apply to the remaining land.

This Order-in-Council comes into force on June 18, 2019.

EC2019-441

PRINCE EDWARD ISLAND
LANDS PROTECTION ACT
PROPERTY NO. 566661, LOT 18, PRINCE COUNTY
IDENTIFICATION FOR NON-DEVELOPMENT USE
(CANCELLED)

Pursuant to subsection 9(2) of the *Prince Edward Island Lands Protection Act* R.S.P.E.I. 1988, Cap. L-5, Council cancelled the condition of non-development use in respect of approximately two decimal five (2.5) acres of land, being Provincial Property No. 566661 located in Darnley, Lot 18, Prince County, Prince Edward Island and currently owned by Ronald MacNeill and Gwendolyn MacNeill of Fort McMurray, Alberta.

This Order-in-Council comes into force on June 18, 2019.
EC2019-442

PRINCE EDWARD ISLAND
LANDS PROTECTION ACT
PROPERTY NO. 483677, LOT 39, KINGS COUNTY
SUBDIVISION RESTRICTION
AMENDMENT

Pursuant to subsection 9(2) of the Prince Edward Island Lands Protection Act R.S.P.E.I. 1988, Cap. L-5, Council amended the condition prohibiting subdivision in respect of approximately thirteen decimal zero nine (13.09) acres of land, being Provincial Property No. 483677 located in Lot 39, Kings County, Prince Edward Island and currently owned by Joe Dunphy Custom Woodworking Ltd. of Morell, Prince Edward Island.

Council noted that this amendment will enable subdivision of a parcel of land of approximately nine decimal four six (9.46) acres for residential use SUBJECT TO the subdivided parcel being consolidated with the adjacent Provincial Property No. 634014 concurrently at the time of subdivision. Further, Council determined that the condition preventing subdivision shall continue to apply to the remaining land.

This Order-in-Council comes into force on June 18, 2019.

EC2019-444

REGULATED HEALTH PROFESSIONS ACT
DESIGNATION REGULATIONS
REVOCATION

Pursuant to section 2 of the Regulated Health Professions Act R.S.P.E.I. 1988, Cap. R-10.1, Council made the following regulations:

1. Regulated Health Professions Act Designation Regulations (EC531/14) are revoked.

2. These regulations come into force on July 2, 2019.

EXPLANATORY NOTES

SECTION 1 revokes the Designation Regulations made under the Regulated Health Professions Act.

SECTION 2 provides for the commencement of these regulations.
REGULATED HEALTH PROFESSIONS ACT
PHARMACIST AND PHARMACY TECHNICIAN
REGULATIONS

Pursuant to sections 2 and 96 of the of the Regulated Health Professions Act R.S.P.E.I. 1988, Cap. R-10.1, Council made the following regulations:

PART I - INTERPRETATION

1. In these regulations

(a) “accredited degree program in pharmacy” means
   (i) a Bachelor of Science in Pharmacy or Pharm. D. degree program offered in Canada, approved by the Council or accredited by the Canadian Council for Accreditation of Pharmacy Programs, or
   (ii) a program that has been determined by the Pharmacy Examining Board of Canada to be substantially equivalent to an approved or accredited degree program referred to in subclause (i);

(b) “accredited pharmacy technician training program” means
   (i) a pharmacy technician training program in Canada approved by the Council or accredited by the Canadian Council for Accreditation of Pharmacy Programs, or
   (ii) a program that has been determined by the Pharmacy Examining Board of Canada to be substantially equivalent to an approved or accredited pharmacy technician training program referred to in subclause (i);

(c) “Act” means the Regulated Health Professions Act R.S.P.E.I. 1988, Cap. R-10.1;

(d) “adapt” means modify the dose, formulation or regimen of a drug that has been prescribed by a prescriber for a patient;

(e) “central fill services” means central fill services as defined in the General Regulations (EC527/14) under the Pharmacy Act R.S.P.E.I. 1988, Cap. P-6.1;

(f) “code of ethics” means the code of ethics with respect to the practice of pharmacy as established or adopted by the Council pursuant to section 33 of the Act;

(g) “College” means the Prince Edward Island College of Pharmacy continued under section 3;

(h) “Council” means the Council of the College;

(i) “device” means a medical device as defined in the Food and Drugs Act (Canada) that is provided to a patient, including but not limited to
   (i) an inhaler,
   (ii) a blood glucose monitoring machine,
   (iii) a nebulizer machine;

(j) “direct supervision” means supervision by a person who is physically present;

(k) “drug” means a drug as defined in the Pharmacy Act;

(m) “monitored drug” means a monitored drug as defined in the Narcotics Safety and Awareness Act R.S.P.E.I. 1988, Cap. N-.01;

(n) “patient” means a patient as defined in the Pharmacy Act;

(o) “pharmacist” means a member who is registered in the general class, provisional class or special class of the pharmacists register;
(p) “pharmacists register” means the register referred to in clause 4(a);

(q) “pharmacy” means a pharmacy as defined in the Pharmacy Act, and, except where indicated otherwise, includes a premises or place in a hospital where drugs are stored, compounded, dispensed or provided to a patient;

(r) “pharmacy student” means a member who is registered in the pharmacy student class of the pharmacists register;

(s) “pharmacy technician” means a member who is registered in the general class, provisional class or special class of the pharmacy technicians register;

(t) “pharmacy technician student” means a member who is registered in the pharmacy technician student class of the pharmacy technicians register;

(u) “pharmacy technicians register” means the register referred to in clause 4(b);

(v) “preceptor” means a preceptor designated under section 45;

(w) “prescriber” means a prescriber as defined in the Pharmacy Act;

(x) “refresher program” means a refresher program in pharmacy, designed for a pharmacist or a pharmacy technician, as the case may be, consisting of a formal curriculum, a set of individualized assignments of studies and experiences, a set of continuing education credits and a practicum, or a combination of these elements;

(y) “representative” means an adult who attends at a pharmacy on behalf of a patient to obtain a drug prescribed for the patient;

(z) “standards of practice” means standards of practice with respect to the practice of pharmacy as established or adopted by the Council pursuant to section 32 of the Act;

(aa) “supervision” means supervision by a person who is either physically present or on call;

(bb) “therapeutic substitution” means the prescribing of a drug for a patient that contains chemically different active ingredients than a drug originally prescribed by a prescriber for the patient, but is expected to deliver a similar therapeutic effect.

**PART 2 - PROFESSIONAL GOVERNANCE**

2. Pharmacy is designated as a regulated health profession.

3. (1) The College of Pharmacists established under the former Practice of Pharmacists and Pharmacy Technicians Regulations (EC532/14) made under the Act is continued as the college for pharmacy under the name Prince Edward Island College of Pharmacy.

(2) In addition to the objects set out in subsection 4(2) of the Act, the College has the following additional objects:

- (a) subject to the Food and Drugs Act (Canada), to establish the terms and conditions of the sale for drugs and devices;

- (b) to ensure that the public is protected from the unauthorized or inappropriate sale of drugs or devices;

- (c) to superintend the operation of pharmacies that are subject to the Pharmacy Act;

- (d) to establish, maintain and promote standards for pharmacies that are subject to the Pharmacy Act, including standards respecting the ownership and operation of those pharmacies.

4. The register for pharmacy is divided into the following sub-registers and classes of registration:

- (a) the pharmacists register, consisting of
  - (i) the general class,
  - (ii) the provisional class,
  - (iii) the special class, and
  - (iv) the pharmacy student class;

- (b) the pharmacy technicians register, consisting of...
PART 3 - PHARMACISTS REGISTER

Registration

5. An applicant for registration in the general class of the pharmacists register shall
   (a) for the purpose of clause 12(2)(c) of the Act, have successfully completed an accredited degree program in pharmacy;
   (b) for the purpose of clause 12(2)(d) of the Act, have successfully completed
      (i) an examination in jurisprudence, ethical standards and standards of practice established, approved or adopted by the Council, and
      (ii) a competency examination established, approved or adopted by the Council;
   (c) for the purpose of clause 12(2)(e) of the Act, have successfully completed a structured practical training program for pharmacists based on the Framework for Assessing Canadian Pharmacists’ Competencies at Entry to Practice Through Structured Practical Training Programs, established by the National Association of Pharmacy Regulatory Authorities, approved by the Council;
   (d) for the purpose of clause 12(2)(f) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 13;
   (e) for the purpose of clause 12(2)(j) of the Act, hold or be covered by professional liability insurance as required in section 14; and
   (f) pursuant to clause 12(2)(k) of the Act, hold current certification in cardiopulmonary resuscitation and first aid.

6. (1) An applicant for registration in the provisional class of the pharmacists register shall
   (a) for the purpose of clause 12(2)(c) of the Act, have successfully completed an accredited degree program in pharmacy;
   (b) for the purpose of clause 12(2)(f) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 13;
   (c) for the purpose of clause 12(2)(j) of the Act, hold or be covered by professional liability insurance as required in section 14; and
   (d) pursuant to clause 12(2)(k) of the Act,
      (i) hold current certification in cardiopulmonary resuscitation and first aid, and
      (ii) be a party to a training agreement with a preceptor.

   (2) A pharmacist registered in the provisional class of the pharmacists register shall practise pharmacy only under the direct supervision of the pharmacist’s preceptor or a pharmacist registered in the general or special class of the pharmacists register.

   (3) Registration in the provisional class may not be reinstated.

7. (1) Where the Council directs the registrar to register an applicant as a pharmacist pursuant to subsection 13(3) of the Act, the registrar shall register the applicant in the special class of the pharmacists register and specify the purpose or duration of the registration, as the case may be.

   (2) Pursuant to subclause 13(3)(b)(iv) of the Act, an applicant for registration in the special class of the pharmacists register shall hold current certification in cardiopulmonary resuscitation and first aid.

   (3) Registration in the special class may not be renewed or reinstated.

8. (1) An applicant for registration in the pharmacy student class of the pharmacists register shall
   (a) for the purpose of clause 12(2)(c) of the Act, be enrolled in an accredited degree program in pharmacy;
   (b) for the purpose of clause 12(2)(j) of the Act, hold or be covered by professional liability insurance as required in section 14; and
252

EXECUTIVE COUNCIL _________________________________18 JUNE 2019

(e) pursuant to clause 12(2)(k) of the Act,
   (i) hold current certification in cardiopulmonary resuscitation and first aid; and
   (ii) be a party to a training agreement with a preceptor.

(2) A pharmacy student shall practise pharmacy only under the direct supervision of the pharmacy student’s preceptor or a pharmacist registered in the general or special class of the pharmacists register.

(3) Registration in the pharmacy student class may not be reinstated.

Renewal

9. (1) An applicant for renewal of registration in the general class of the pharmacists register shall
   (a) for the purposes of subclause 22(2)(a)(i) of the Act, have met the requirements for continuing education and competency set out in subsection (2);
   (b) for the purposes of subclause 22(2)(a)(ii) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 13;
   (c) for the purpose of subclause 22(2)(a)(v) of the Act, hold or be covered by professional liability insurance that meets the requirements of section 14; and
   (d) pursuant to subclause 22(2)(a)(v.1) of the Act, hold current certification in cardiopulmonary resuscitation and first aid.

(2) An applicant under subsection (1) shall have, in the year immediately preceding the application,
   (a) completed at least 20 hours of continuing education in subject areas approved by the Council; and
   (b) utilized methods or participated in programs to assess competency established by the Council pursuant to section 60.1 of the Act, as required by the Council.

(3) A pharmacist registered in the general class shall
   (a) keep a record in a form satisfactory to the registrar of the activities that the pharmacist undertakes for the purpose of subsection (2); and
   (b) provide copies of the record referred to in clause (a) on the request of and in accordance with the directions of the registrar.

10. An applicant for renewal of registration in the provisional class of the pharmacists register shall
   (a) for the purposes of subclause 22(2)(a)(ii) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 13;
   (b) for the purposes of subclause 22(2)(a)(v) of the Act, hold or be covered by professional liability insurance that meets the requirements of section 14; and
   (c) pursuant to subclause 22(2)(a)(v.1) of the Act,
      (i) hold current certification in cardiopulmonary resuscitation and first aid, and
      (ii) be a party to a training agreement with a preceptor.

11. An applicant for renewal of registration in the pharmacy student class of the pharmacists register shall
   (a) for the purposes of subclause 22(2)(a)(v) of the Act, hold or be covered by professional liability insurance that meets the requirements of section 14; and
   (b) pursuant to subclause 22(2)(a)(v.1) of the Act
      (i) be enrolled in an accredited degree program in pharmacy,
      (ii) be a party to a training agreement with a preceptor, and
      (iii) hold current certification in cardiopulmonary resuscitation and first aid.

Reinstatement

12. (1) For the purpose of subsection 24(1) of the Act, the maximum prescribed period of time for reinstatement is three years.
(2) An applicant for reinstatement of registration in the general class of the pharmacists register shall
(a) for the purpose of clause 24(4)(c) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 13;
(b) for the purpose of clause 24(4)(f) of the Act, hold or be covered by professional liability insurance that meets the requirements of section 14; and
(c) pursuant to subclause 22(2)(a)(v.1) of the Act, hold current certification in cardiopulmonary resuscitation and first aid.

Currency and Insurance Requirements

13. (1) Where required in this Part, an applicant shall demonstrate currency of professional knowledge and skills by having done one of the following within the three years preceding the application:
(a) successfully completed an accredited degree in program in pharmacy;
(b) actively practised pharmacy as a pharmacist, without the imposition of any restrictions under the applicable law of the jurisdiction of practice, for at least 600 hours;
(c) successfully completed a refresher program satisfactory to the registrar.

(2) Where, in the opinion of the Council, an applicant fails to demonstrate currency of professional knowledge and skills in accordance with subsection (1), the Council may require the applicant to complete a refresher program approved by the Council within the time period specified by the Council.

14. (1) For the purpose of this Part and clause 25(3)(c) of the Act, an applicant or a member registered under this Part, as the case may be, is required to hold or be covered by a professional liability insurance policy that
(a) is issued by an insurer authorized to conduct business in Prince Edward Island;
(b) is issued in the name of the individual insured;
(c) applies to any practice setting in Prince Edward Island;
(d) has a policy limit of not less than $2,000,000 per claim or occurrence and an aggregate limit of not less than $2,000,000, excluding legal or court costs;
(e) covers liability for any professional service the member may be authorized to provide under these regulations;
(f) allows an extended reporting period of at least three years in the case of a claims-based policy and has a minimum retroactive date of five years in the case of an occurrence-based policy;
(g) has a maximum deductible of $5,000 per claim;
(h) includes a term to the effect that the insurer will notify the College if the policy is cancelled, expires or ceases to meet the requirements of these regulations; and
(i) includes a term to the effect that the policy continues in force in conformity with these regulations until the notice required by clause (h) is received by the College.

(2) An applicant or member required to be insured under subsection (1) shall ensure that the registrar is provided with the most current certificate of professional liability insurance from the insurer that confirms that the applicant or member is insured and that the insurance complies with the regulations.

Designations

15. For the purpose of subsection 89(1) of the Act, the designations of a pharmacist include the following titles, abbreviations and initials:
(a) pharmacist;
(b) registered pharmacist;
(c) Ph.C.;
(d) R.Ph.;
(e) R. Pharm.
Scope of Practice

16. The scope of practice of a pharmacist includes the following professional activities:
   (a) monitoring drug therapy and advising on the contents, therapeutic values and hazards of drugs;
   (b) demonstrating, administering or advising on the use, calibration, effectiveness and hazards of devices used in connection with drugs or to monitor health status, and assisting or training patients in the use of self-administered devices;
   (c) promoting the health, prevention and treatment of diseases, disorders and dysfunctions through monitoring and management of drug therapy;
   (d) identifying and assessing drug-related problems, and making recommendations to prevent or resolve them;
   (e) counselling persons respecting healthcare and drug-related therapies, whether the counselling takes place in a pharmacy or elsewhere;
   (f) research, education, management or administrative activities incidental to performing activities in clauses (a) to (e);
   (g) acting as a preceptor, as authorized under these regulations;
   (h) performing certain reserved activities, as authorized by the Act and these regulations.

Reserved Activities

17. (1) Subject to any terms or conditions imposed on the pharmacist’s registration, a pharmacist is authorized to perform the following reserved activities:
   (a) prescribing a drug, in accordance with sections 18 to 22;
   (b) dispensing a drug, other than methadone or suboxone;
   (c) selling a drug;
   (d) compounding a drug;
   (e) supervising the part of a pharmacy where drugs are kept;
   (f) administering a substance prescribed by a prescriber by inhalation;
   (g) performing a procedure on tissue below the dermis for the purpose of performing a test specified in section 23;
   (h) interpreting a test specified in section 23 for the purpose of drug therapy management, in accordance with section 23.

   (2) Notwithstanding clause (1)(e), a pharmacist registered in the provisional class of the pharmacists register shall not supervise the part of a pharmacy where drugs are kept.

   (3) Subject to any terms or conditions imposed on the member’s registration, a pharmacist who is practising pharmacy in a hospital may, in accordance with hospital protocol, perform the reserved activity of ordering and interpreting screening and diagnostic tests that do not use prescribed forms of energy, for the purpose of monitoring and managing the drug therapy of an in-patient of the hospital.

18. Subject to section 19 and subsection 29(1), a pharmacist may adapt or make a therapeutic substitution in respect of a prescription for a drug, other than a monitored drug, if
   (a) the prescription is valid and is not expired or spent;
   (b) the pharmacist believes that it is in the best interests of the patient to adapt the prescription or make the therapeutic substitution, as the case may be, in accordance with
      (i) the standards of practice,
      (ii) the code of ethics, and
      (iii) any applicable practice directives issued by the College for the purposes of this section;
   (c) the pharmacist discusses with the patient or representative the nature of, and reasons for, the proposed adaptation or therapeutic substitution, as the case may be;
   (d) the pharmacist advises the patient or representative of the relative prices of the drug specified in the prescription and the drug as adapted or substituted, as the case may be; and
(e) after complying with clauses (c) and (d), the pharmacist obtains the consent of the patient or representative to the proposed adaptation or therapeutic substitution, as the case may be.

19. (1) Where a prescriber is of the opinion that a prescription he or she is giving should not be adapted, the prescriber may prohibit adaptation by clearly writing on the prescription the words “No Adaptation”.

(2) Where a prescriber is of the opinion that, with respect to a prescription he or she is giving, a therapeutic substitution should not be made, the prescriber may prohibit therapeutic substitution by clearly writing on the prescription the words “No Therapeutic Substitution”.

(3) A pharmacist shall comply with the instructions of a prescriber given in accordance with subsection (1) or (2) when dispensing the prescription initially and when dispensing any refills of the same prescription, unless the prescriber otherwise instructs.

20. (1) A pharmacist who adapts or makes a therapeutic substitution in respect of a prescription shall

(a) notify the prescriber who gave the original prescription, verbally or in writing, as soon as possible, respecting the adaptation or therapeutic substitution, as the case may be; and

(b) retain a record respecting the notification required under clause (a) for a period of ten years after the date on which the notification was provided.

(2) A pharmacist who makes a therapeutic substitution shall provide a clear reference to the original prescription on the prescription for the drug substituted.

(3) A person who dispenses a prescription given by a pharmacist making a therapeutic substitution shall record the name of the pharmacist in the place where the name of the prescriber is to be recorded in the patient record and on the drug container label or multiple drug package label.

(4) A person who dispenses a prescription that has been adapted by a pharmacist shall record the nature of the adaptation in the patient record.

21. (1) Subject to subsection (3) and subsection 29(1), a pharmacist may give a continued care prescription to a patient for a drug, other than a monitored drug, if the following conditions are met:

(a) the patient had a prescription, given by a prescriber, for the same drug;

(b) the original prescription has expired or all authorized refills have been dispensed;

(c) it is not reasonably possible for the patient to obtain a subsequent prescription for the drug from the prescriber who gave the original prescription before the original prescription expires or the patient finishes the last refill of the original prescription;

(d) the patient has an immediate need to continue treatment with the drug;

(e) the original prescription was dispensed at the same pharmacy from which the pharmacist is giving the prescription;

(f) the pharmacist believes that it is in the best interests of the patient to give the person a prescription for the drug, in accordance with

(i) the standards of practice,

(ii) the code of ethics, and

(iii) any applicable practice directives established by the Council.

(2) A pharmacist who gives a continued care prescription shall

(a) provide a clear reference on the continued care prescription to the original prescription;

(b) notify the prescriber who gave the original prescription, orally or in writing, as soon as possible, that a continued care prescription has been given to the patient; and

(c) retain a record respecting the notification required under clause (b) for a period of 10 years after the date on which the notification was provided.
(3) No pharmacist shall
   (a) give a continued care prescription to a patient for an amount of a drug that exceeds the amount authorized per refill under the original prescription;
   (b) authorize refills of a continued care prescription; or
   (c) give consecutive continued care prescriptions to a patient for the same drug.

22. (1) Subject to subsection (3) and subsection 29(1), a pharmacist may give an emergency prescription to a patient for a drug, other than a monitored drug, if the pharmacist
   (a) is satisfied that there is an immediate need for drug therapy;
   (b) is satisfied that it is not reasonably possible for the patient to see another health professional in a timely manner to obtain the prescription;
   (c) believes that it is in the best interests of the patient to give the patient a prescription for the drug, in accordance with
      (i) the standards of practice,
      (ii) the code of ethics, and
      (iii) any applicable practice directives established by the Council; and
   (d) discusses with the patient or representative the nature of the emergency prescription.

   (2) A pharmacist who gives an emergency prescription shall
      (a) only prescribe a limited and interim supply of the drug so that the patient’s health or life is not at risk;
      (b) notify the patient’s usual pharmacist, orally or in writing, as soon as possible, that an emergency prescription has been given to the patient; and
      (c) retain a record respecting the notification required under clause (a) for a period of ten years after the date on which the notification was provided.

   (3) No pharmacist shall
      (a) authorize refills of an emergency prescription; or
      (b) give consecutive emergency prescriptions to a patient for the same drug.

23. (1) In this section “test” means a test respecting
   (a) international normalized ratio (INR);
   (b) glycated haemoglobin (haemoglobin A1c or HbA1c); or
   (c) blood glucose.

   (2) A pharmacist may perform or interpret the results of a test for the purposes of drug therapy management, if
      (a) the pharmacist believes that it is in the best interests of the patient for the pharmacist to perform or interpret the results of the test in accordance with
         (i) standards of practice,
         (ii) the code of ethics, and
         (iii) any applicable practice directives issued by the College; and
      (b) the pharmacist
         (i) provides the patient or representative with sufficient information for the patient or representative to make an informed and voluntary decision regarding the test, and
         (ii) obtains the informed consent of the patient or representative.

   (3) A pharmacist who performs or interprets the results of a test shall advise the patient or representative of the results of the test in accordance with the standards of practice.

   (4) A pharmacist shall advise the patient’s primary health care provider as soon as reasonably possible of any changes in the patient’s drug therapy initiated by the pharmacist as the result of a test performed or interpreted by the pharmacist under this section.

   (5) A pharmacist who performs or interprets a test shall, as soon as possible, forward the results to the patient’s usual health care provider if
      (a) the test results reveal an issue that is outside the pharmacist’s knowledge, skills and competencies; or
(b) the pharmacist considers it to be in the best interests of the patient to involve another health care provider.

(6) A pharmacist shall keep the patient’s primary health care provider informed of the general state of the patient’s health as revealed by the tests performed or interpreted by the pharmacist.

(7) If a patient does not have a primary health care provider, the pharmacist shall do one or both of the following, as appropriate in the circumstances, for the purposes of subsections (4) to (6):
(a) counsel the patient to obtain emergency or other medical care;
(b) advise the patient about available health care resources.

(8) A pharmacist who performs or interprets the results of a test shall create and maintain for a period of not less than ten years a record of the following:
(a) the patient’s name and address;
(b) the test performed or interpreted and the reason for performing or interpreting it;
(c) the name of the pharmacist performing and interpreting the test;
(d) the date the test was performed or interpreted;
(e) the results of the test;
(f) the primary health care provider to whom the results were forwarded, if any, and the date they were forwarded;
(g) any recommendations made to the primary health care provider and the date they were forwarded.

24. (1) A pharmacist may apply to the Registrar, in the form approved by the Council, for a special authorization to perform one or more of the following reserved activities:
(a) administering orally or by injection a drug or vaccine prescribed by a medical practitioner or nurse practitioner;
(b) prescribing and administering intranasally or by injection a vaccine for a disease listed in Schedule A;
(c) prescribing and administering orally or by injection a vaccine for a disease listed in Schedule B;
(d) dispensing methadone or suboxone;
(e) diagnosing and prescribing drugs for minor ailments.

(2) An applicant is eligible for a special authorization to perform a reserved activity listed in subsection (1) if the applicant has successfully completed the applicable training program:
(a) for the purpose of clauses (1)(a) and (b), a drug knowledge and administration program approved by Council;
(b) for the purpose of clause (1)(c), a travel vaccine education program approved by the Council;
(c) for the purpose of clause (1)(d), an education program in opioid dependence approved by Council;
(d) for the purpose of clause (1)(e), an education program in diagnosing and prescribing drugs for minor ailments approved by Council.

(3) On receipt of an application in accordance with subsection (1), the registrar may grant the applicant a special authorization to perform a reserved activity listed in subsection (1), if the registrar is satisfied that the applicant meets the applicable requirement in subsection (2).

(4) Where the registrar is not satisfied that the applicant meets the applicable requirement in subsection (2), the registrar shall refer the application to the Council.

(5) On receipt of an application referred by the registrar, the Council shall review the application and may
(a) direct the registrar to grant a special authorization to perform a reserved activity listed in subsection (1); and
(b) impose any terms and conditions on the special authorization that the Council considers appropriate.

(6) Where the registrar grants a special authorization under subsection (3) or (5), the registrar shall record the special authorization and any terms and conditions on the special authorization in the register and on the certificate of registration of the pharmacist.
(7) Where the Council refuses to grant a special authorization, the Council shall serve on the applicant written notice of and reasons for the refusal.

(8) A special authorization granted under this section is suspended or cancelled, or expires, on the suspension, cancellation or expiration of the pharmacist’s registration, as the case may be, and may be renewed on renewal of the pharmacist’s registration.

25. (1) Subject to subsections (2) and 29(1), a pharmacist who has a special authorization under clause 24(1)(a), (b) or (c) may administer a drug or vaccine, as the case may be, if
(a) the pharmacist believes that it is in the best interests of the patient to administer the drug or vaccine, in accordance with
(i) the standards of practice,
(ii) the code of ethics, and
(iii) any applicable practice directives issued by the College; and
(b) the pharmacist
(i) provides the patient or the representative with sufficient information for the patient or the representative to make an informed and voluntary decision regarding the administration of the drug or vaccine, and
(ii) obtains the informed consent of the patient or the representative.

(2) No pharmacist shall administer a drug or vaccine to a patient under the age of five years or administer a vaccine to a patient between the ages of five and 18 years, except in accordance with the prescription of a medical practitioner or nurse practitioner or subsections (3) to (5).

(3) A pharmacist who has a special authorization to prescribe and administer a vaccine listed in Schedule A may administer the influenza vaccine by intranasal means to a patient who is two years of age or older.

(4) A pharmacist who has a special authorization to prescribe and administer a vaccine for a disease listed in Schedule A may administer by injection the vaccine for influenza or rabies (pre-exposure only) to a patient between the ages of five and 18 years.

(5) A pharmacist who has a special authorization to prescribe and administer a vaccine for a disease listed in Schedule B may administer orally or by injection the vaccine for traveller’s diarrhea to a patient between the ages of 5 and 18 years.

(6) A pharmacist who administers a vaccine to a patient shall
(a) monitor the patient’s post-administration response for any adverse events following the immunization (AEFI) and report any adverse effects as required by the Immunization Regulations under the Public Health Act R.S.P.E.I. 1988, Cap. P-30.1; and
(b) comply with the reporting and record keeping provisions set out in the Immunization Regulations under the Public Health Act.

(7) A pharmacist who administers a drug or vaccine to a patient shall create and retain a record of the following for a period of 10 years:
(a) the patient’s name and address;
(b) the name of the drug or vaccine and total dose administered;
(c) for an advanced method, identification of the manufacturer, the Drug Identification Number or Natural Product Number, lot number and expiry date of the drug or vaccine;
(d) for an advanced method, the route of administration and the location on the patient’s body where the drug was administered;
(e) the name of the pharmacist administering the drug or vaccine;
(f) the date and the time of administration.

(8) A pharmacist who is completing a course or program for a special authorization under clause 24(1)(a), (b) or (c) may administer a drug or vaccine, as the case may be, using the applicable method if, while doing so, he or she is under the direct supervision of
(a) a pharmacist who has a special authorization to administer the drug or vaccine using that method; or
(b) another health care professional who is permitted and competent to administer the drug or vaccine using that method.
26. Subject subsection 29(1), a pharmacist who holds a special authorization under clause 24(1)(b) or (c) may prescribe a vaccine listed in Schedule A or B, as the case may be, if the pharmacist
   (a) is satisfied that there is a need for the patient to be vaccinated; and
   (b) believes that it is in the best interest of the patient to give the patient a prescription for the vaccine, in accordance with
      (i) the standards of practice,
      (ii) the code of ethics, and
      (iii) any applicable practice directives issued by the College.

27. A pharmacist who holds a special authorization to dispense methadone or suboxone, as the case may be, may do so if the pharmacist believes that it is in the best interests of the patient to dispense the methadone or suboxone in accordance with
   (a) the standards of practice;
   (b) the code of ethics; and
   (c) any applicable practice directives issued by the College.

28. (1) In this section, “minor ailment” means an ailment listed in Schedule C to these regulations.

   (2) Subject to subsection (3) and subsection 29(1), a pharmacist who has a special authorization to diagnose and give a prescription for a drug, other than a monitored drug, to a patient for treatment of a minor ailment may do so only if the pharmacist
      (a) believes that it is in the best interests of the patient to give the prescription in accordance with
         (i) the standards of practice,
         (ii) the code of ethics, and
         (iii) any applicable practice directives issued by the College;
      (b) provides the patient or the representative with sufficient information for the patient or representative to make an informed and voluntary decision regarding the prescribed treatment; and
      (c) obtains the informed consent of the patient or the representative.

   (3) A pharmacist who diagnoses and gives a prescription to a patient for treatment of a minor ailment shall
      (a) notify the patient’s usual primary health care provider, if known, orally or in writing, as soon as possible, that the prescription has been given to the patient; and
      (b) retain a record of the minor ailment assessment for a period of not less than 10 years.

Standards of Practice

29. (1) A pharmacist shall not give a prescription for a drug or vaccine unless:
   (a) the pharmacist has made reasonable inquiries for the purpose of assessing whether the drug or vaccine will be safe and effective for the patient in the circumstances, including inquiries respecting
      (i) the patient’s symptoms,
      (ii) the patient’s medical history,
      (iii) the patient’s allergies, 
      (iv) other medications the patient may be taking, and
      (v) any other information reasonably necessary in the circumstances;
   (b) the pharmacist has assessed the patient in person;
   (c) the pharmacist has complied with applicable practice directions and standards; and
   (d) except where the prescription is being issued for an in-patient of a hospital, the pharmacist has discussed with the patient or representative any other reasonable and available therapeutic options and their cost.

   (2) A pharmacist who gives a prescription under these regulations shall retain a record for a period of not less than 10 years of the following:
      (a) the patient’s name and address;
      (b) the patient’s date of birth;
      (c) the name of the drug or vaccine prescribed;
(d) the strength, where applicable, and quantity of the drug or vaccine prescribed;
(e) the directions for use;
(f) the number of refills available to the patient, if any;
(g) the name of the member pharmacist giving the prescription;
(h) the date of the prescription;
(i) the treatment goal, diagnosis or clinical indication at the time the prescription was given.

30. (1) When dispensing a drug for a patient or supervising another member who is dispensing a drug for a patient, it is the pharmacist’s duty to

(a) evaluate the patient’s prescription;
(b) assess the patient and the patient’s health history and medication record;
(c) determine whether the proposed drug therapy is appropriate for the patient;
(d) fulfil the pharmacist’s responsibilities to counsel the patient, when appropriate, and to monitor the patient’s drug therapy; and
(e) ensure that any conditions prescribed by an enactment or the standards of practice are complied with.

(2) Notwithstanding subsection (1), when supervising another member who is providing central fill services, it is the duty of a pharmacist to ensure that the member compounds, prepares, packages and dispenses drugs in compliance with any conditions in the Pharmacy Act and regulations and the standards of practice.

PART 4 - PHARMACY TECHNICIANS REGISTER

Registration

31. An applicant for registration in the general class of the pharmacy technicians register shall

(a) for the purpose of clause 12(2)(c) of the Act, have successfully completed an accredited pharmacy technician training program;
(b) for the purpose of clause 12(2)(d) of the Act, have successfully completed
   (i) an examination in jurisprudence, ethical standards and standards of practice approved by the Council, and
   (ii) a competency examination approved by the Council;
(c) for the purpose of clause 12(2)(e) of the Act, have successfully completed a structured practical training program for pharmacy technicians approved by Council and based on the Professional Competencies for Canadian Pharmacy Technicians at Entry to Practice, established by National Association of Pharmacy Regulatory Authorities;
(d) for the purpose of clause 12(2)(f) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 39; and
(e) for the purpose of clause 12(2)(j) of the Act, hold or be covered by professional liability insurance as required in section 40.

32. (1) An applicant for registration in the provisional class of the pharmacy technicians register shall

(a) for the purpose of clause 12(2)(c) of the Act, have successfully completed an accredited pharmacy technician training program;
(b) for the purpose of clause 12(2)(f) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 39;
(c) for the purpose of clause 12(2)(j) of the Act, hold or be covered by professional liability insurance as required in section 40; and
(d) for the purposes of clause 12(2)(k) of the Act, be a party to a training agreement with a preceptor.

(2) A pharmacy technician registered in the provisional class of the pharmacy technicians register shall practise pharmacy only under the direct supervision of the pharmacy technician's preceptor, a pharmacy technician registered in the general or special class of the pharmacy technicians register or a pharmacist registered in the general or special class of the pharmacists register.
(3) Registration in the provisional class may not be reinstated.

33. (1) Where the Council directs the registrar to register an applicant as a pharmacy technician pursuant to subsection 13(3) of the Act, the registrar shall register the applicant in the special class of the pharmacy technicians register and specify the purpose or duration of the special registration, as the case may be.

(2) A registration in the special class of the pharmacy technicians register may not be renewed or reinstated.

34. (1) An applicant for registration in the pharmacy technician student class of the pharmacy technicians register shall
(a) for the purpose of clause 12(2)(c) of the Act be enrolled in an accredited pharmacy technician training program;
(b) for the purpose of clause 12(2)(j) of the Act, hold or be covered by professional liability insurance as required in section 40; and
(c) for the purposes of clause 12(2)(k) of the Act, be a party to a training agreement with a preceptor.

(2) A pharmacy technician student shall practise pharmacy only under the direct supervision of the pharmacy technician student's preceptor, a pharmacy technician registered in the general or special class of the pharmacy technicians register or a pharmacist registered in the general or special class of the pharmacists register.

(3) Registration in the pharmacy technician student class may not be reinstated.

Renewal

35. (1) An applicant for renewal of registration in the general class of the pharmacy technicians register shall
(a) for the purposes of subclause 22(2)(a)(i) of the Act, fulfill the requirements for continuing education and competency set out in subsection (2);
(b) for the purposes of subclause 22(2)(a)(ii) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 39; and
(c) for the purpose of subclause 22(2)(a)(v) of the Act, hold or be covered by professional liability insurance that meets the requirements of section 40.

(2) For the purpose of clause (1)(a), an applicant shall have, in the year immediately preceding the application,
(a) completed at least 20 hours of continuing education in subject areas approved by Council; and
(b) participated in and successfully completed the continuing competency program established by the Council pursuant to section 60.1 of the Act.

(3) A pharmacy technician registered in the general class of the pharmacy technicians register shall
(a) keep a record in a form satisfactory to the registrar of the activities that the pharmacy technician undertakes for the purpose of this section; and
(b) provide copies of the record referred to in clause (a) on the request of and in accordance with the directions of the registrar.

36. An applicant for renewal of registration in the provisional class of the pharmacy technicians register shall
(a) for the purposes of subclause 22(2)(a)(ii) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 39;
(b) for the purposes of subclause 22(2)(a)(v) of the Act, hold or be covered by professional liability insurance that meets the requirements of section 40; and
(c) for the purposes of clause 12(2)(k) of the Act, be a party to a training agreement with a preceptor.

37. An applicant for renewal of registration in the pharmacy technician student class of the pharmacy technicians register shall
(a) for the purposes of subclause 22(2)(a)(v) of the Act, hold or be covered by professional liability insurance that meets the requirements of section 40; and
(b) for the purposes of subclause 22(2)(a)(v.1) of the Act,
   (i) be enrolled in an accredited pharmacy technician training program, and
   (ii) be a party to a training agreement with a preceptor.

Reinstatement

38. (1) For the purpose of subsection 24(1) of the Act, the maximum prescribed period of time for reinstatement is three years.

   (2) An applicant for reinstatement of registration in the general class of the pharmacy technicians register shall

   (a) for the purpose of clause 24(4)(c) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 39; and
   (b) for the purpose of clause 24(4)(f) of the Act, hold or be covered by professional liability insurance that meets the requirements of section 40.

Currency and Insurance Requirements

39. (1) Where required in this Part, an applicant shall demonstrate currency of professional knowledge and skills by having done one of the following within the three years preceding the application:

   (a) successfully completed an accredited pharmacy technician training program;
   (b) actively practiced pharmacy as a pharmacy technician, without the imposition of any restrictions under the applicable law of the jurisdiction of practice, for at least 600 hours;
   (c) successfully completed a refresher program satisfactory to the registrar.

   (2) Where, in the opinion of the Council, an applicant fails to demonstrate currency of professional knowledge and skills in accordance with (1), the Council may require the applicant to complete a refresher program approved by the Council within the time period specified by the Council.

40. (1) For the purpose of this Part and clause 25(3)(c) of the Act, an applicant or a member registered under this Part, as the case may be, is required to hold or be covered by a professional liability insurance policy that

   (a) is issued by an insurer authorized to conduct business in Prince Edward Island;
   (b) is issued in the name of the individual insured;
   (c) applies to any practice setting in Prince Edward Island;
   (d) has a policy limit of not less than $2,000,000 per claim or occurrence and an aggregate limit of not less than $2,000,000, excluding legal or court costs;
   (e) covers liability for any professional service the member may be authorized to provide under these regulations;
   (f) allows an extended reporting period of at least three years in the case of a claims-based policy and has a minimum retroactive date of five years in the case of an occurrence-based policy;
   (g) has a maximum deductible of $5,000 per claim;
   (h) includes a term to the effect that the insurer will notify the College if the policy is cancelled, expires or ceases to meet the requirements of these regulations; and
   (i) includes a term to the effect that the policy continues in force in conformity with these regulations until the notice required by clause (h) is received by the College.

   (2) An applicant or member required to be insured under subsection (1) shall ensure that the registrar is provided with the most current certificate of professional liability insurance from the insurer that confirms that the applicant or member is insured and that the insurance complies with the regulations.
Designations

41. For the purpose of subsection 89(1) of the Act the designations of a pharmacy technician include the following titles, abbreviations and initials:

(a) pharmacy technician;
(b) registered pharmacy technician;
(c) Ph.T.;
(d) R.Ph.T.

Scope of Practice

42. The scope of practice of a pharmacy technician includes the following professional activities:

(a) receiving verbal and written prescriptions and gathering, entering and storing prescription and patient information;
(b) preparing prescriptions;
(c) storing and repackaging products;
(d) assisting with the management of systems for drug distribution and inventory control;
(e) transferring prescriptions to and receiving prescriptions from other pharmacies;
(f) teaching patients about the use of devices;
(g) participating in the research, development, implementation and evaluation of quality assurance and risk management policies, procedures and activities;
(h) research, education, management or administrative activities incidental to performing activities in clauses (a) to (g);
(i) acting as a preceptor, as authorized under these regulations;
(j) performing certain reserved activities, as authorized by the Act and these regulations.

Reserved Activities

43. (1) Subject to any terms or conditions on the member’s registration, a pharmacy technician practising pharmacy, other than in a hospital, is authorized to perform the reserved activities of dispensing, selling or compounding a drug under the direct supervision of a pharmacist registered in the general class or special class of the pharmacists register.

(2) Subject to any terms or conditions on the member’s registration, a pharmacy technician who is practising pharmacy in a hospital is authorized to perform the reserved activities of dispensing, selling or compounding a drug under the supervision of a pharmacist registered in the general class or special class of the pharmacists register.

(3) A pharmacist who is responsible for the supervision or direct supervision of a pharmacy technician under this section shall ensure there is a system in place in the pharmacy premises that complies with the standards of practice under which

(a) the pharmacist is available to consult with, provide guidance to and, if necessary, provide assistance to the pharmacy technician; and
(b) the involvement of the pharmacy technician in the reserved activities authorized under this section can be monitored and assessed.

(4) A pharmacy technician shall not counsel a patient, directly or indirectly, about a drug or a medical condition.

(5) A pharmacist shall not delegate the responsibility to counsel a patient to a pharmacy technician.

PART 5 - GENERAL

44. The Registrar shall post in the directory maintained by the College on the College’s website

(a) the registration of a pharmacist;
(b) the registration of a pharmacy technician; and
(c) any terms or conditions imposed on the registration of a member affecting his or her ability to perform a restricted activity.
45. (1) Subject to subsection (2), on application in the form approved by the Council, the Council may designate a pharmacist registered in the general class of the pharmacists register or a pharmacy technician registered in the general class of the pharmacy technicians register as a preceptor, if the pharmacist or pharmacy technician, as the case may be,
(a) has practised pharmacy for at least one year;
(b) is a member in good standing and is not the subject of an active complaint; and
(c) has entered into a training agreement with a member in accordance with this section, under which the pharmacist or the pharmacy technician agrees to provide direct supervision of the member, for at least half of the time the member works in the pharmacy during the term of agreement.

(2) The Council shall refuse to designate a pharmacist or a pharmacy technician as a preceptor if
(a) the Council or another Canadian pharmacy or other professional regulatory body has made a finding against the pharmacist or the pharmacy technician of professional misconduct, negligence or incompetence;
(b) the pharmacist or pharmacy technician does not meet the requirements of subsection (1); or
(c) a prohibition against serving as a preceptor has been imposed by order of an investigation committee or hearing committee under Part VI of the Act, which has not expired.

(3) A pharmacist registered in the general class of the pharmacists register may act as preceptor to any of the following:
(a) a pharmacist registered in the general class or the provisional class of the pharmacists register;
(b) a pharmacy student;
(c) a pharmacy technician;
(d) a pharmacy technician student.

(4) A pharmacist shall not act as a preceptor to more than two of the persons specified in clauses (3)(a) to (d) at one time.

(5) A pharmacy technician may act as a preceptor only to a pharmacy technician or a pharmacy technician student.

(6) A pharmacy technician shall not act as preceptor to more than two of the persons specified in subsection (5) at one time.

(7) A preceptor ceases to be qualified as a preceptor and the preceptor’s designation is revoked, if
(a) the preceptor’s registration expires, is suspended or is revoked; or
(b) the preceptor is the subject of an active complaint, a finding referred to in clause (2)(a) or an order referred to in clause (2)(c).

(8) The Registrar shall, where a preceptor ceases to be qualified, notify the preceptor and any person to whom the pharmacist or pharmacy technician was acting as a preceptor of the loss of qualification and the revocation of the preceptor’s designation, by written notice mailed to the person’s most recent address in the records of the Registrar.

(9) A preceptor shall ensure that a member with whom the preceptor has entered into a training agreement has the opportunity to complete the requisite practice experience.

46. (1) The name of a health profession corporation and any business name or partnership name under which the corporation carries on the practice of pharmacy shall
(a) be, in the opinion of the Council, in good taste, dignified, and professional; and
(b) not contain the words “and Company”, “and Associated” or “and Partners”, or similar words, unless a member other than the member denoted in the name is also carrying on the practice of pharmacy on behalf of the corporation.

(2) Before changing its name, a health profession corporation shall obtain written confirmation form the Registrar that the proposed name meeting the requirements of subsection (1).
47. Schedules A, B and C to these regulations are hereby adopted and form part of these regulations.

48. (1) In this section, “former regulations” means the Pharmacist and Pharmacy Technician Profession Regulations (EC533/14) made under the Act.

(2) A person who, immediately before the coming into force of these regulations, was registered in Part A or Part B of the pharmacists register under the former regulations is deemed to be registered in the general class of the pharmacists register on the coming into force of these regulations.

(3) A person who, immediately before the coming into force of these regulations, was registered in the pharmacy intern register under the former regulations is deemed to be registered in the provisional class of the pharmacists register on the coming into force of these regulations.

(4) A person who, immediately before the coming into force of these regulations, was registered in the pharmacy student register under the former regulations is deemed to be registered in the pharmacy student class of the pharmacists register on the coming into force of these regulations.

(5) A person who, immediately before the coming into force of these regulations, was registered in the pharmacy technicians register under the former regulations is deemed to be registered in the general class of the pharmacy technicians register on the coming into force of these regulations.

(6) A person who, immediately before the coming into force of these regulations, was registered in the pharmacy technician students register under the former regulations and has successfully completed an accredited pharmacy technician training program or accredited degree program in pharmacy is deemed to be registered in the provisional class of the pharmacy technicians register on the coming into force of these regulations.

(7) A person who, immediately before the coming into force of these regulations, was registered in the pharmacy technician students register under the former regulations and enrolled in an accredited pharmacy technician training program or accredited degree program in pharmacy is deemed to be registered in the pharmacy technician student class of the pharmacy technicians register on the coming into force of these regulations.

(8) Where a person is deemed to be registered under this section, the registration of the person is subject to any terms or conditions and any expiry date to which the registration of the person was subject under the former regulations.

49. The following regulations made under the Act are revoked:

(a) Pharmacist and Pharmacy Technician Profession Regulations (EC533/14);
(b) Practice of Pharmacists and Pharmacy Technicians Regulations (EC532/14).

50. These regulations come into force on July 2, 2019.

SCHEDULE A

Diseases for which a vaccine may be prescribed and administered with special authorization under clause 24(1)(b):

(a) diphtheria;
(b) hepatitis A;
(c) hepatitis B;
(d) herpes zoster;
(e) human papillomavirus;
(f) influenza;
(g) pertussis;
(h) pneumococcal disease;
(i) rabies (pre-exposure only);
(j) tetanus.

**SCHEDULE B**

Travel-related diseases for which a vaccine may be prescribed and administered with special authorization under clause 24(1)(c):

(a) European tick-borne encephalitis;
(b) Japanese encephalitis;
(c) traveller’s diarrhea;
(d) typhoid;
(e) yellow fever.

**SCHEDULE C**

**Minor Ailments**

(a) allergic rhinitis;
(b) calluses or corns;
(c) contact allergic dermatitis (allergic skin rash);
(d) cough;
(e) dandruff;
(f) dysmenorrhea (pre-menstrual and menstrual pain);
(g) dyspepsia (indigestion);
(h) emergency contraception;
(i) fungal infections of the skin;
(j) gastro-esophageal reflux disease (heartburn);
(k) hemorrhoids;
(l) herpes simplex (cold sores);
(m) mild acne;
(n) mild headache;
(o) mild to moderate eczema;

**EXPLANATORY NOTES**

**SECTION 1** defines terms used in these regulations.

**SECTION 2** designates pharmacy as a regulated health profession.

**SECTION 3** continues the College of Pharmacists as the Prince Edward Island College of Pharmacy.

**SECTION 4** sets out the sub-registers and classes of registration in the register for pharmacy.

**SECTION 5** sets out prescribed requirements for registration in the general class of the pharmacists register.

**SECTION 6** sets out prescribed requirements for registration in the provisional class of the pharmacists register and requires that a person registered in that class be under the direct supervision of specified persons when practising pharmacy. It also provides that registration in the provisional class may not be reinstated.
SECTION 7 provides for registration in the special class of the pharmacists register and sets out an additional requirement that the applicant shall hold current certification in CPR and first aid. It also provides that registration in the special class may not be renewed or reinstated.

SECTION 8 sets out prescribed requirements for registration in the pharmacy student class of the pharmacists register and requires that a person registered in that class be under the direct supervision of specified persons when practising pharmacy. It also provides that registration in the pharmacy student class may not be reinstated.

SECTION 9 sets out prescribed requirements for the renewal of registration in the general class of the pharmacists register.

SECTION 10 sets out prescribed requirements for the renewal of registration in the provisional class of the pharmacists register.

SECTION 11 sets out prescribed requirements for the renewal of registration in the pharmacy student class of the pharmacists register.

SECTION 12 prescribes a period of three years as the maximum lapse in registration before an application for reinstatement is made and sets out prescribed requirements for the reinstatement of registration in the general class of the pharmacists register.

SECTION 13 sets out the ways that an applicant under Part 3 may demonstrate currency of professional knowledge and skills. It also provides for the Council to require an applicant to complete a refresher program where the Council is of the opinion that the applicant has failed to demonstrate currency.

SECTION 14 sets out the requirements for professional liability insurance for an applicant or a member registered under Part 3.

SECTION 15 sets out the protected designations of a pharmacist.

SECTION 16 sets out activities that are included in the scope of practice of a pharmacist.

SECTION 17 authorizes a pharmacist to perform specified reserved activities.

SECTION 18 sets out the circumstances in which a pharmacist may adapt or make a therapeutic substitution in respect of a prescription for a drug, other than a monitored drug.

SECTION 19 provides for a prescriber to prohibit adaptation or therapeutic substitution of a prescription drug and requires a pharmacist to comply.

SECTION 20 sets out duties of a pharmacist and dispenser on adaptation or therapeutic substitution of a prescription drug.

SECTION 21 sets out the circumstances in which a pharmacist may give a continued care prescription for a drug, other than a monitored drug, and circumstances in which it is prohibited. It also sets out the duties of a pharmacist on giving a continued care prescription.

SECTION 22 sets out the circumstances in which a pharmacist may give an emergency prescription and circumstances in which it is prohibited. It also sets out duties of a pharmacist on giving an emergency prescription.

SECTION 23 sets out the circumstances in which a pharmacist may perform or interpret the results of a specified test and the duties of the pharmacist on doing so.
SECTION 24 provides for a pharmacist to apply for special authorization to perform specified reserved activities and sets out the required qualifications.

SECTION 25 sets out the circumstances in which a pharmacist with special authorization may administer drugs or vaccines and the duties of the pharmacist on doing so.

SECTION 26 sets out the circumstances in which a pharmacist with special authorization may prescribe vaccines.

SECTION 27 sets out the circumstances in which a pharmacist with special authorization may dispense methadone or suboxone and the record keeping requirements on doing so.

SECTION 28 sets out the circumstances in which a pharmacist with a special authorization may diagnose and give a prescription for a drug, other than a monitored drug, to treat a minor ailment and the duties of the pharmacist on doing so.

SECTION 29 prohibits a pharmacist from giving a prescription for a drug or vaccine unless the pharmacist has complied with specified standards of practice and sets out the record keeping requirements after giving a prescription.

SECTION 30 sets out the duties of a pharmacist when dispensing a drug or supervising another member who is dispensing a drug or providing central fill services.

SECTION 31 sets out prescribed requirements for registration in the general class of the pharmacy technicians register.

SECTION 32 sets out prescribed requirements for registration in the provisional class of the pharmacy technicians register and requires that a person registered in that class be under the direct supervision of specified persons when practising pharmacy. It also provides that registration in the provisional class may not be reinstated.

SECTION 33 provides for registration in the special class of the pharmacists register. It also provides that registration in the special class may not be renewed or reinstated.

SECTION 34 sets out prescribed requirements for registration in the pharmacy technician student class of the pharmacy technicians register and requires that a person registered in that class be under the direct supervision of specified persons when practising pharmacy. It also provides that registration in the pharmacy technician student class may not be reinstated.

SECTION 35 sets out prescribed requirements for the renewal of registration in the general class of the pharmacy technicians register.

SECTION 36 sets out prescribed requirements for the renewal of registration in the provisional class of the pharmacy technicians register.

SECTION 37 sets out prescribed requirements for the renewal of registration in the pharmacy technician student class of the pharmacy technicians register.

SECTION 38 prescribes a period of three years as the maximum lapse in registration before an application for reinstatement is made and sets out prescribed requirements for the reinstatement of registration in the general class of the pharmacy technicians register.

SECTION 39 sets out the ways that an applicant under Part 4 may demonstrate currency of professional knowledge and skills. It also provides for the Council to require an applicant to complete a refresher
program where the Council is of the opinion that the applicant has failed to demonstrate currency.

SECTION 40 sets out the requirements for professional liability insurance for an applicant or a member registered under Part 4.

SECTION 41 sets out the protected designations of a pharmacy technician.

SECTION 42 sets out activities that are included in the scope of practice of a pharmacy technician.

SECTION 43 authorizes a pharmacy technician to perform specified reserved activities. It prohibits a pharmacy technician from counselling a patient about a drug or medical condition and prohibits a pharmacist from delegating this responsibility to a pharmacy technician.

SECTION 44 requires the Registrar to post a directory on the College’s website containing specified information.

SECTION 45 provides that, on application, the Council may designate or refuse to designate a pharmacist or pharmacy technician as a preceptor. It sets out for whom a pharmacist or pharmacy technician may act as a preceptor. It prohibits a pharmacist or pharmacy technician from acting as a preceptor to more than two preceptees at the same time. It sets out the duty of a preceptor to ensure a preceptee has the opportunity to complete the requisite practice experience. It provides for the revocation of the designation in specified circumstances.

SECTION 46 sets out requirements respecting the name of a health professional corporation.

SECTION 47 adopts the schedules to these regulations as part of the regulations.

SECTION 48 contains transitional provisions for members registered under the former regulations.

SECTION 49 revokes existing regulations governing pharmacists and pharmacy technicians.

SECTION 50 provides for the commencement of these regulations.

EC2019-446
REGULATED HEALTH PROFESSIONS ACT RESERVED ACTIVITIES REGULATIONS AMENDMENT

Pursuant to subsection 96(1) of the Regulated Health Professions Act R.S.P.E.I. 1988, Cap. R-10.1, Council made the following regulations:

1. Sections 1 and 2 of the Regulated Health Professions Act Reserved Activities Regulations (EC536/15) are revoked and the following substituted:

   2. In addition to the reserved activities set out in section 86 of the Act, each of the following done with respect to a person is designated as a reserved activity:
      (a) administering a substance by enteral or parenteral instillation or transfusion;
      (b) administering a drug or vaccine by any means;
      (c) removing a superficial foreign body from the human eye or its adnexa;
(d) ordering or compounding a therapeutic diet that is to be administered by enteral or parenteral instillation;
(e) ordering and interpreting screening and diagnostic tests that do not use prescribed forms of energy.

2. These regulations come into force on July 2, 2019.

EXPLANATORY NOTES

SECTION 1 revokes and replaces the definition section of the regulations to remove the definition of “prescriber”, which is no longer used in the regulations. It also revokes and replaces section 2 of the regulations to consolidate and update the list of activities designated as reserved activities.

SECTION 2 provides for the commencement of these regulations.
