EXECUTIVE COUNCIL _________________________________ 18 MAY 2021

36. The Minister may issue an entrance way permit to authorize placement of a new entrance way or to change the use of an existing entrance way to an existing parcel of land abutting a non-essential highway for the purpose of

(a) cultivation of a natural resource;
(b) development of one, and only one, single-unit dwelling as defined in the Subdivision and Development Regulations (EC693/00) made under the Planning Act R.S.P.E.I. 1988, Cap. P-8; or

EXPLANATORY NOTES

SECTION 1 amends section 36 to the Roads Act Highway Access Regulations (EC580/95) by removing the restriction on issuing entrance way permits to non-essential highways. The amendments will now enable the issuance of Entrance Way Permits on non-essential highways to enable cultivation of a natural resource, creation of one single-unit dwelling on a parcel of land, or enable an industrial use such as an excavation pit, storage or a stockyard, where that use is otherwise approved as specified. The amendments will allow a land owner to develop the property but will restrict subdivision of the parcel of land. The amendment will also not place any onus on Government to maintain the highway.

SECTION 2 adds the minimum safe stopping sight distance for non-essential highways.

SECTION 3 provides for the commencement of the regulations.
