APPLIED SCIENCE AND ENGINEERING TECHNICIANS
AND TECHNOLOGISTS ACT
DECLARATION RE

EC2021-446
APPLIED SCIENCE AND ENGINEERING TECHNICIANS AND TECHNOLOGISTS ACT
GENERAL REGULATIONS

Pursuant to section 46 of the Applied Science and Engineering Technicians and Technologists Act R.S.P.E.I. 1988, Cap. A-13.1, the council, with the approval of the Lieutenant Governor in Council, made the following regulations:

Interpretation

Definition, “Act”

Certification
2. (1) For the purpose of subclause 11(3)(a)(i) of the Act, the accreditation body for technician and technology education programs is Technology Accreditation Canada.

(2) For the purpose of subclause 11(3)(a)(ii) of the Act, when determining whether the education or experience of an applicant is substantially equivalent to an accredited or approved technician or technology education program, the council may consider the national technology benchmarks or standards for technicians or technologists established by the Canadian Council of Technicians and Technologists.

Reinstatement
3. (1) For the purpose of section 15 of the Act, a certified member whose certification was suspended, or a former certified member whose certification was cancelled, pursuant to section 14 of the Act may apply to the council, within one year of the date of the suspension or cancellation, as the case may be, in the form approved by the council to have the certification reinstated.

(2) Where the applicant’s certification was suspended or cancelled for contravening subclause 11(7)(a)(i) of the Act, the council may reinstate the certification if the applicant provides proof satisfactory to the council
that the applicant has or is covered by professional liability insurance in the amount required by the bylaws.

(3) Where the applicant’s certification was suspended or cancelled for contravening subclause 11(7)(a)(ii) of the Act, the council may reinstate the certification if the applicant submits a report and declaration in the form required by the council that satisfies the council that the applicant has met the requirements for continuing professional development set out in the bylaws.

(4) Where the applicant’s certification was suspended or cancelled for contravening subclause 11(7)(a)(iii) of the Act, the council may reinstate the certification if the applicant pays the outstanding annual certification fee and any other applicable fees in accordance with section 15 of the Act and the bylaws.

(5) Where the applicant’s certification was suspended or cancelled pursuant to subsection 14(2) of the Act, the council may reinstate the certification if the applicant satisfies the council that he or she is suitable to practise as a technician or technologist.

General

4. Pursuant to clause 32(2)(h) of the Act, a discipline committee may impose a fine of not more than $10,000 on a respondent whose conduct has been determined to constitute professional misconduct or professional incompetence.

5. These regulations come into force on June 5, 2021.

EXPLANATORY NOTES

SECTION 1 defines the term “Act”.

SECTION 2 prescribes Technology Accreditation Canada and the Canadian Council of Technicians and Technologists as accreditation bodies for the purpose of assessing the credentials of an applicant for certification.

SECTION 3 provides for a certified member whose certification has been suspended, or a former certified member whose certification has been cancelled, pursuant to section 14 of the Act to apply to have the certification reinstated. It sets out what the applicant is required to do to have the certification reinstated, depending on the reason for the suspension or cancellation.

SECTION 4 sets out the maximum fine a discipline committee may impose on a respondent whose conduct has been determined to constitute professional misconduct or professional incompetence.

SECTION 5 provides for the commencement of these regulations.
