Pursuant to section 107 of the Education Act R.S.P.E.I. 1988, Cap. E-02, Council made the following regulations:

1. The Education Act Teacher Certification and Standards Regulations (EC534/16) are amended by the addition of the following heading immediately before section 1:

   INTERPRETATION

2. Subsection 1(1) of the regulations is amended

   (a) in clause (e), by the deletion of the words “offered by an accredited university”;

   (b) by the addition of the following after clause (h): post-secondary study

      (h.1) “post-secondary study” means a course or program offered by an accredited university or a college;

   (c) in clause (i), by the deletion of the period and the substitution of a semicolon;

   (d) by the addition of the following after clause (i):

      (j) “teacher’s license (academic)” means the category of teacher’s license established under section 2.1;

      (k) “teacher’s license (career and technical)” means the category of teacher’s license established under section 5.1;

      (l) “technical education teacher training program” means a technical education teacher training program consisting of at least 30 credit hours, approved by the Board.

3. The regulations are amended by the addition of the following heading immediately before section 2:

   APPLICATION

4. (1) Subsection 2(1) of the regulations is amended

   (a) in clause (a), by the deletion of the word “documents”; and

   (b) by the revocation of clause (e) and the substitution of the following:

      (e) evidence satisfactory to the Registrar that the applicant meets the standards and criteria in subsection 2.1(2) or 5.1(2), as the case may be;

5. The regulations are amended by the addition of the following after section 2:
TEACHER’S LICENSE (ACADEMIC)

2.1 (1) The category of teacher’s license (academic) is established. Teacher’s license (academic)

(2) To obtain a teacher’s license (academic), an applicant shall have successfully completed a pre-service teacher education program.

(3) An applicant who holds a certification in another Canadian jurisdiction that the Registrar considers equivalent to a teacher’s license (academic) is deemed to meet the standards and criteria in subsection (2).

(4) In subsection (3), “Canadian jurisdiction” and “certification” have the same meaning as in the Labour Mobility Act R.S.P.E.I. 1988, Cap. L-1.1.

6. Subsections 3(1) and (2) of the regulations are amended by the deletion of the words “teacher’s license” and the substitution of the words “teacher’s license (academic)”. Definitions

7. (1) Subsection 4(1) of the regulations is amended by the deletion of the words “teacher’s license” wherever they occur and the substitution of the words “teacher’s license (academic)”. Standards and criteria

(2) Subsections 4(2), (3), (4), (6) and (7) of the regulations are amended by the deletion of the words “teacher’s license” and the substitution of the words “teacher’s license (academic)”. Standards and criteria

(3) Subsection 4(8) of the regulations is revoked.

8. Subsections 5(1) and (2) of the regulations are amended by the deletion of the words “teacher’s license” and the substitution of the words “teacher’s license (academic)”. Standards and criteria

9. The regulations are amended by the addition of the following after section 5:

TEACHER’S LICENSE (CAREER AND TECHNICAL)

5.1 (1) The category of teacher’s license (career and technical) is established. Teacher’s license (career and technical)

(2) To obtain a teacher’s license (career and technical), an applicant shall

(a) hold a high school diploma or a verified equivalent;
(b) have completed five years of a combination of post-secondary study and work experience in the occupation in which the applicant is certified, which includes at least 30 credit hours of post-secondary study;
(c) hold a recognized occupational certification in:
  (i) applied science technology or engineering technology,
  (ii) automotive technology,
  (iii) carpentry,
  (iv) culinary arts,
  (v) welding, or
  (vi) any other occupation for which a provincial curriculum has been developed; and
(d) have successfully completed a technical education teacher training program.

(3) Any credit hours of post-secondary study counted as prior learning or work experience for the purpose of occupational certification shall not be counted towards the credit hours required in clause (2)(b) or (d).

(4) Notwithstanding clause (2)(d), the Registrar may issue a teacher’s license (career and technical) to an applicant who does not meet the requirement of clause (2)(d), subject to the terms and conditions that

(a) within one year of the issuance of the license, the applicant shall apply for or enroll in a technical education teacher training program; and
(b) within five years of the issuance of the license, the applicant shall successfully complete a technical education teacher training program.

Credit hours counted as prior learning or work experience

Exception, technical education teacher training program
(5) An applicant who holds a certification in another Canadian jurisdiction that the Registrar considers equivalent to a teacher’s license (career and technical) is deemed to meet the standards and criteria in subsection (2).

(6) In subsection (5), “Canadian jurisdiction” and “certification” have the same meaning as in the Labour Mobility Act.

5.2 (1) On issuing a teacher’s license (career and technical) pursuant to subsection 99(1) of the Act, the Registrar shall assign a qualification level with respect to the teacher’s license (career and technical) in accordance with this section and provide to the teacher written reasons for the qualification level assigned.

(2) The Registrar shall assign a qualification level 1 with respect to a teacher’s license (career and technical), unless the applicant meets the requirements for a qualification level under subsection (3), (4), (5), (6) or (7), as the case may be.

(3) Subject to subsections (4), (5), (6) and (7), the Registrar shall assign a qualification level 2 with respect to a teacher’s license (career and technical), if the Registrar is satisfied that, in addition to meeting the requirements for qualification level 1, the applicant
(a) has successfully completed an additional 30 credit hours of post-secondary study; and
(b) holds a college diploma related to the occupation in which the applicant is certified.

(4) Subject to subsections (5), (6) and (7), the Registrar shall assign a qualification level 3 with respect to a teacher’s license (career and technical), if the Registrar is satisfied that, in addition to meeting the requirements for qualification levels 1 and 2, the applicant has successfully completed an additional 30 credit hours of post-secondary study.

(5) Subject to subsections (6) and (7), the Registrar shall assign a qualification level 4 with respect to a teacher’s license (career and technical), if the Registrar is satisfied that, in addition to meeting the requirements for qualification levels 1 to 3, the applicant
(a) has successfully completed an additional 30 credit hours of post-secondary study; and
(b) holds a degree or equivalent credential based on the successful completion of a pre-service teacher education program.

(6) Subject to subsection (7), the Registrar shall assign a qualification level 5 with respect to a teacher’s license (career and technical), if the Registrar is satisfied that, in addition to meeting the requirements for qualification levels 1 to 4, the applicant
(a) has successfully completed an additional 30 credit hours of post-secondary study; and
(b) holds a master’s degree granted by an accredited university.

(7) The Registrar shall assign a qualification level 6 with respect to a teacher’s license (career and technical), if the Registrar is satisfied that, in addition to meeting the requirements for qualification levels 1 to 5, the applicant
(a) has successfully completed an additional 30 credit hours of post-secondary study; and
(b) holds a second master’s degree or a doctoral degree granted by an accredited university.

(8) For the purpose of this section, the receipt of an interprovincial standards (Red Seal) endorsement related to a teachable subject-area is deemed to be equivalent to, and meet the requirement of, 30 credit hours of post-secondary study.

5.3 (1) On application by a teacher in the form required by the Registrar and payment of the fee set out in subsection 15(1), the Registrar shall assign a new qualification level in respect of a teacher’s license (career and technical), if the Registrar is satisfied that the teacher meets the requirements for the new qualification level set out in subsection 5.2(3), (4), (5), (6) or (7), as the case may be.
(2) Where the Registrar refuses to assign a new qualification level to a
teacher’s license (career and technical) or assigns a qualification level
other than the one requested by the teacher under subsection (1), the
Registrar shall serve notice of and reasons for the refusal or alternate
assignment, in writing, on the teacher by regular mail, which is deemed
to be received by the teacher five days after the date on which it was sent.

10. The regulations are amended by the addition of the following
heading after section 5.3:

TEMPORARY PERMIT

11. The regulations are amended by the addition of the following
heading after section 6:

16. Pursuant to subsection 107(2.1) of the Act, these regulations are
deemed to have come into force on August 20, 2016.

EXPLANATORY NOTES

SECTION 1 adds a heading before the definitions section.

SECTION 2 amends the definition of “credit hours” to broaden its
application beyond accredited universities. It also adds definitions for
specified terms.

SECTION 3 adds a heading before section 2 of the regulations.

SECTION 4 amends section 2 of the regulations to address applications
for both categories of teacher’s license.

SECTION 5 adds a heading and a new section 2.1 to the regulations
establishing the category of teacher’s license (academic), setting out the
standards and criteria for the license and facilitating labour mobility for
applicants with a certification in another province or territory that the Registrar considers equivalent.

SECTION 6 updates references to a teacher’s license in section 3 of the regulations to a teacher’s license (academic).

SECTION 7 updates references to a teacher’s license in section 4 of the regulations to a teacher’s license (academic). It also revokes subsection 4(8) of the regulations, as transitional matters respecting the qualification level of a teacher’s license are provided for in the Act.

SECTION 8 updates references to a teacher’s license in section 5 of the regulations to a teacher’s license (academic).

SECTION 9 adds a heading and new sections 5.1, 5.2 and 5.3 to the regulations. Section 5.1 establishes the category of teacher’s license (career and technical), sets out the standards and criteria for the license and facilitates labour mobility for applicants with a certification in another province or territory that the Registrar considers equivalent. Section 5.2 provides for the Registrar to assign a qualification level to each teacher’s license (career and technical) and sets out the requirements for each qualification level. Section 5.3 provides for a teacher to apply for a new classification level for a teacher’s license (career and technical).

SECTIONS 10 to 12 add headings at specified points in the regulations.

SECTION 13 amends subsection 8(1) of the regulations to include a reference to a notice served under subsection 5.3(2) and written reasons provided under subsection 5.2(1) to provide for an appeal of actions taken by the Registrar under those provisions.

SECTION 14 adds a heading after section 13 of the regulations.

SECTION 15 updates subsection 15(1) of the regulations in respect of fees payable under the regulations.

SECTION 16 deems these regulations to have come into force on the date the Act came into force.

O’Brecht of Warren Grove, Prince Edward Island to acquire a land holding of approximately twenty-five (25) acres of land at St. Charles, Lot 43, Kings County, Province of Prince Edward Island, being acquired from Brendon McKenna of Brackley, Prince Edward Island PROVIDED THAT the said real property is identified for non-development use pursuant to the Land Identification Regulations (EC606/95) made under the said Act.

Council, having under consideration an application (#6172) for acquisition of a land holding under authority of section 4 of the Prince Edward Island Lands Protection Act R.S.P.E.I. 1988, Cap L-5, denied permission to Julian Spears and Rochelle Anne Spears both of King Township, Ontario to acquire a land holding of approximately twenty-five decimal three (25.3) acres of land at Priest Pond, Lot 46, Kings County, currently owned by Loma MacPhee of Priest Pond, Prince Edward Island.

Pursuant to section 4 of the Prince Edward Island Lands Protection Act R.S.P.E.I. 1988, Cap L-5 Council granted permission to Kyle Waterfall and Nicole Waterfall, both of Tillsonburg, Ontario to acquire a land holding of approximately thirty-eight (38) acres of land at South Lake, Lot 47, Kings County, Province of Prince Edward Island, being acquired from James Cheverie and Steve Cheverie, both of Souris, Prince Edward Island.
Pursuant to subsection 9(2) of the *Prince Edward Island Lands Protection Act* R.S.P.E.I. 1988, Cap. L-5, Council amended the condition of non-development use made pursuant to section 2 of the Land Identification Regulations (EC606/95) in respect of approximately forty-four decimal two four (44.24) acres of land, being Provincial Property No. 891333 located at Alberry Plains, Lot 50, Queens County, Prince Edward Island and currently owned by Robert D. MacLeod of Vernon Bridge, Prince Edward Island.

Council noted that this amendment will enable subdivision of a parcel of land of approximately one decimal two five (1.25) acres for residential use SUBJECT TO the subdivided parcel being consolidated with the adjacent Provincial Property No. 608042 concurrently at the time of the subdivision. Further, Council determined that following subdivision, identification for non-development use shall apply be retained on the remainder of Provincial Parcel No. 891333, consisting of two new lots.

This Order-in-Council comes into force on July 13, 2021.

Pursuant to sections 8 and 8.1 of the *Planning Act* R.S.P.E.I. 1988, Cap. P-8, Council made the following regulations:

1. Appendix A to the *Planning Act* Subdivision and Development Regulations (EC693/00) is amended by the deletion of Map No. 8 and the substitution of Map No. 8 as set out in the Schedule to these regulations, showing the boundaries of the Stratford Region Special Planning Area.

2. These regulations come into force on July 24, 2021.

SCHEDULE

APPENDIX A

MAP #8 - STRATFORD REGION SPECIAL PLANNING AREA
SECTION 1 amends the Subdivision and Development Regulations (EC693/00) by deleting the current Map No. 8, which shows the former boundaries of the Stratford Region Special Planning Area, and substituting a new Map No. 8 which shows the new boundaries of the Stratford Region Special Planning Area. The changes in the boundaries are in consequence of the municipal restructuring of the Town of Stratford, pursuant to Order in Council EC2021-342.

SECTION 2 provides for the commencement of these regulations.

Pursuant to section 28 of the Public Sector Pension Plan Act R.S.P.E.I. 1988, Cap. P-32.11, Council made the following regulations:

1. The enacting clause to the Public Sector Pension Plan Act Division of Benefits and Separate Pension Regulations (EC104/16) is revoked and the following substituted:

3. Clause 5(b) of the regulations is amended by the deletion of the word “Fund” and the substitution of the word “Plan”.

4. These regulations come into force on July 24, 2021.
SECTION 3 amends clause 5(b) of the regulations to substitute the new term “Plan” for the former term “Fund”.

SECTION 4 provides for the commencement of these regulations.

EC2021-607
