

CEO REPORT

October 27, 2021

Health PEI

COVID-19 Pandemic

- Unprecedented impacts to PEI and the world
- Health PEI Team responded with resilience and dedication to protect and care for our Island Community

2020-2021 Review

- Significant change in our leadership structure
- Resilience, adaptability, responsiveness
- Looking ahead

Changes in 2020-2021

- New leadership structure supports systems thinking
- Support for longer-term, adaptive approaches, move away from short-term fixes
- Acknowledge and talk about our successes
- We must own our internal challenges
- Change takes time

Healthy Teams

- Our people need to be valued and supported on a daily basis to keep our health system moving forward
- Psychological safety
- Encouraging our people to speak up

Healthy People and Communities

- Changes in primary care
- Focus on keeping Islanders well in the community
- Home Care
- Seniors Care

Looking Ahead

- Strategic plan for 2021-2024: new Health PEI mission and vision
 - Focus on People, Quality & Safety, Access & Coordination and Innovation & Efficiency
 - New and enhanced services and programs
 - Improving our core services
- 

Thank you
