**IN THE MATTER OF THE APPLICATION FOR REVIEW OF CERTIFICATION
ORDER**

BY: KELTON ELECTRIC LTD. **APPLICANT**
AND: INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL 1432 **RESPONDENT**

D E C I S I O N

The Board has reviewed the Application for Review which was filed on September 7, 1990. The Board has reviewed the material which was provided with the Application for Certification, including the material upon which it has relied. The Board is satisfied that the evidence is such as to satisfy the Board that a majority of employees wish the applicant trade union to be certified as bargaining agent on their behalf, that the applicant is a trade union within the meaning of the Act, and that the bargaining unit applied for is appropriate for collective bargaining.

The Board has considered the request by the Respondent that the Board conduct an investigation of the circumstances surrounding the filing of the application for certification. It is the opinion of the Board that there is no evidence nor information before the Board that would warrant such an investigation.

Accordingly, under the provisions of Section 54 (7) of the Prince Edward Island Labour Act, the Board hereby confirms the Certification Order Number 14-90, issued August 29, 1990.

THIS DECISION issued by the Labour Relations Board on September 19, 1990 and issued under the hand of its Chief Executive Officer.
