CARBON LEVY

NOTICE

CLN:129

JUNE 2023

PRINCE EDWARD ISLAND CARBON LEVY EXEMPTIONS ENDING

On July 1, 2023, the federal government will implement the federal backstop for carbon pricing in Prince Edward Island. Fuel sales starting on July 1, 2023 will be subject to the federal fuel charge.

Bill 5 (An Act to Amend the *Climate Leadership Act*) was introduced in the PEI Legislature on May 16, 2023. When passed, these amendments to the *Act* will halt the collection of the PEI carbon Levy on fuel sales starting July 1, 2023.

As a result, the PEI carbon levy exemption letters that have been issued to your operation will no longer apply as there will be no PEI carbon levy collected on fuel sales after July 1, 2023. Your operation may wish to contact the federal government to see if there is any relief possible from the federal fuel charge that will be imposed on July 1, 2023.

To contact the federal government, you can call 1 866-330-3304.

For more information you can go to www.canada.ca and enter the search term Fuel Charge Relief.
