Introduction

This directory has been prepared in order to provide families with basic information about licensed early learning and child care centres. The descriptions provided should help parents narrow down their choice of a centre with respect to location, suitable hours, age group served, etc.

Parents, however, are urged **not** to make a choice based solely on the information contained in this directory. It is extremely important to visit each potential centre in order to get a sense of the centre's atmosphere, meet the staff, see how they interact with the children, etc.

A Guide to Quality Childcare is available for parents. This guide provides parents with some questions to ask when selecting a centre for their child. For a copy of the guide, call the Early Childhood Development Association at (902) 368-1866 or go to the website at **www.ecdaofpei.ca**.

Parents may want to use the PEI Child Care Registry to see if there is a space available at the centre of your choice or to see what options are available for your child. Please log on to the Registry at **www.elccregistry.ca**.

Introduction

Le présent répertoire a été préparé afin de donner des renseignements de base aux familles par rapport aux centres d'apprentissage et de garde des jeunes enfants accrédités. Les descriptions fournies devraient aider les parents à restreindre leur choix d'établissement par rapport au lieu, aux heures d'ouverture, aux groupes d'âge desservis, etc.

On encourage toutefois les parents à ne **pas** faire un choix fondé uniquement sur les renseignements contenus dans le présent répertoire. Il est très important de visiter chaque centre potentiel afin d'avoir un aperçu de l'atmosphère qui y règne, de rencontrer les membres du personnel, de voir comment ils interagissent avec les enfants, etc.

Le Guide de l'ADPE pour une garde d'enfants de qualité est à la disposition des parents. Ce guide leur offre des suggestions de questions à poser lorsqu'ils choisissent un centre pour leur enfant. Pour obtenir un exemplaire du guide, communiquez avec l'Association pour le développement de la petite enfance en composant le 902-368-1866 ou consultez le site **www.ecdaofpei.ca**.

Les parents peuvent utiliser le Répertoire des services d'apprentissage et de garde d'enfants pour voir s'il y a de la place à l'établissement de leur choix ou pour voir ce qui est disponible pour leur enfant. Ouvrez une session sur le site **www.elccregistry.ca**.

Types of Centres

Early Childhood Centre: "...a facility whose primary objective is to provide an early childhood learning and development program emphasizing age-appropriate activities."

Preschool Centre: "...means a licensed centre where the operator is authorized to provide services for less than four consecutive hours per day to children who are three years of age or over but not yet attending school."

Family Home Centre: "...a facility in a private residence whose primary objective is to provide relatively informal care emphasizing family-oriented activities for children."

School-Age Child Centre: "...a facility that operates outside of school hours and provides a relatively unstructured program emphasizing supervision and recreation for school-age children."

Types de centres

Les centres de la petite enfance: “un établissement dont l’objectif principal est d’offrir un programme d’apprentissage et de développement de la petite enfance avec des activités adaptées à l’âge.”

Centre préscolaire: “... désigne un centre agréé où l’exploitant est autorisé à fournir des services pendant moins de quatre heures consécutives par jour aux enfants de trois ans ou plus mais qui ne fréquentent pas encore l’école.”

Centre de la famille: “un établissement situé dans une résidence privée dont l’objectif principal est de fournir une garde relativement informelle qui se concentre sur les activités d’enfants axées sur la famille”.

Centre d’âge scolaire : “un établissement opérant en dehors des heures de classe et proposant un programme relativement peu structuré dont l’objectif est de surveiller et de divertir les enfants d’âge scolaire.”

Early Learning and Childcare Centre Policies

Information regarding specific policies of licensed early learning and childcare centres have not been included in this directory. Parents are urged to discuss these matters with each centre being given their consideration.

In general, policies at early learning and child care centres tend to be fairly consistent. A parent could typically find the following:

- payment is required for all statutory holidays
- payment is required for storm days
- payment is required for sick days; centres may negotiate an alternate arrangement in cases of extended sick leave
- two weeks' notice is required if a child is to withdraw from the centre; if notice is not given, payment of two weeks' tuition is required
- full day rates (child care centres) average \$170 per week for birth to 22 months, \$140 per week for 22 months to 3 year olds and \$135 per week for 3 year olds to school entry.

Politiques du centre d'apprentissage et de garde des jeunes enfants

Les renseignements concernant les politiques spécifiques des centres d'apprentissage et de garde des jeunes enfants accrédités n'ont pas été inclus dans ce répertoire. On encourage les parents à en discuter avec chaque établissement considéré.

En général, les politiques des centres d'apprentissage et de garde des jeunes enfants ont tendance à être relativement semblables. Les parents peuvent s'attendre aux conditions suivantes :

- le paiement est requis pour tous les jours fériés
- le paiement est requis pour les journées de tempête
- le paiement est requis pour les journées de maladie; les centres pourraient négocier une autre entente lorsqu'un enfant s'absente pour des raisons médicales pendant une période prolongée
- un préavis de deux semaines est requis si un enfant ne va plus fréquenter un centre; en l'absence de préavis, un paiement de deux semaines est exigé
- les frais (garderie) à temps plein s'établissent, en moyenne, à 170 \$ par semaine pour naissance to 22 mois, à 140 \$ par semaine pour 22 mois de 3 ans et à 135 \$ par semaine pour 3 ans à entrée à l'école.

PEI Preschool Excellence Initiative

The Preschool Excellence Initiative marks a fundamental shift in Government's policy focus in the early years from child care to early learning, highlighted by the introduction, implementation and promotion of newly established Early Year Centres. This new vision in early education continues to support a nurturing, child centered, family supported approach for children and families.

The goal of the Preschool Excellence Initiative is to create an early learning system for Prince Edward Island that is of high quality, accessible (available and affordable) and sustainable. There are currently 49 Early Years Centres across PEI. These centres will have trained staff, provide an early year's curriculum, have parent advisory committees, and daily rates that are currently limited to \$34 per day for children under 22 months of age, \$28.00 per day for children 22 months - 3 years of age, and \$27.00 per day for children from 3 years to school entry.

Parents are encouraged to ask centre staff if their centre is an Early Years Centre.

Initiative préscolaire d'excellence de l'Î.-P.-É.

L'Initiative préscolaire d'excellence a marqué un changement fondamental dans l'objectif stratégique du gouvernement, passant du soin des enfants à l'apprentissage des jeunes enfants, et mettant en valeur l'introduction, la mise en oeuvre et la promotion des tout nouveaux centres de la petite enfance. Cette nouvelle vision en matière d'éducation précoce continue à appuyer une approche attentionnée, axée sur les enfants et soutenue par les familles, et ce, pour le bien des enfants et des familles.

Le but de l'Initiative préscolaire d'excellence est de créer un système d'apprentissage précoce de qualité, accessible (disponible et abordable) et durable à l'Île-du-Prince-Édouard. À l'heure actuelle, il y a 49 centres de la petite enfance d'un bout à l'autre de la province. Ces centres emploient du personnel formé, offrent un programme éducatif destiné à la petite enfance, ont des comités consultatifs de parents ainsi que des taux quotidiens de 34\$ par jour pour les enfants de moins de 2 ans, de 28\$ par jour pour les enfants de 2 et 3 ans, puis de 27\$ par jour pour les enfants de 3 ans jusqu'à l'âge d'entrée à l'école.

Les parents sont encouragés à s'informer auprès des membres du personnel pour voir si leur établissement est un centre de la petite enfance.

Child Care Subsidy Program

The Child Care Subsidy Program (CCSP) is a provincial program designed to assist Island parents with the cost of child care services.

Eligibility

Eligibility for subsidy is determined based on the **financial** and **social** needs criteria of the program.

The CCSP is available for child care for children up to and including the **age of 12**.

Description

If an applicant is found eligible on the basis of social need, an income test, consisting of a review of liquid assets and financial eligibility, is completed by the Department. The applicant's adjusted net income and number of persons in the family group will be considered to determine eligibility and parent share.

How much will I have to pay?

The Department will pay the per diem rate established by the Child Care Centre up to the maximum allowed per age group and type of care, less any fee paid directly to the child care provider. The parent will be responsible for paying any difference between the actual cost of your child care and the subsidy amount approved.

Programme de subvention pour la garde d'enfants

Le Programme de subvention pour la garde d'enfants est un programme provincial conçu pour aider les parents insulaires à couvrir leurs dépenses en services de garde d'enfants.

Admissibilité

Pour bénéficier d'une subvention, il faut répondre aux critères du programme en matière de besoins **financiers** et **sociaux**.

Le programme s'adresse aux parents d'enfants de **12 ans** et moins.

Description

Si un demandeur est jugé admissible en raison de ses besoins sociaux, une évaluation du revenu, qui consiste en un examen des liquidités et de l'admissibilité financière, est effectuée par le ministère. Le revenu net rajusté du demandeur et le nombre de personnes dans le groupe familial seront pris en compte pour déterminer l'admissibilité et la part des parents.

Combien devrai-je payer?

Le ministère payera le tarif journalier fixé par le centre de la petite enfance selon le maximum permis pour le groupe d'âge et le type de garde, moins les frais payés directement au fournisseur de services de garde. Le parent doit payer la différence entre le coût des services de garde et le montant de la subvention accordée.
