If the PEI Office of the Registrar receives transcripts in languages other than English or French, we will send a copy to you. You will need to have the documents translated into either English or French and send the original translations to us.

A Statement of Professional Standing is a document that states you are a teacher in good standing and that your teaching license has never been revoked, cancelled, or suspended for any disciplinary reasons. This document usually comes from the government body or other licensing body that oversees teachers.

A Statement of Professional Standing is required and may be obtained from the General Teaching Council for Scotland (GTCS). Credit Hour Equivalencies

Scottish universities and other higher education institutions utilize a national credit system, which is similar to the Credit Accumulation and Transfer Scheme (CATS) used in the other home countries of the United Kingdom. Generally, under this system one course or module is worth 15 credit hours or points. In most cases, students are expected to take four courses per semester to be considered full-time.

The PEI Office of the Registrar recognizes the Scottish credit system. In PEI, our university, the University of Prince Edward Island (UPEI), generally utilizes a 3 credit hours or points per course system. Found below, is a table containing our credit hour and course equivalencies for the Scottish 15 credit hours per course system.

	Credit Hours per Course	Typical Full-time Course Load
Scottish Higher Education Institution	15	4 courses x 15 credit hours
UPEI	3	5 courses x 3 credit hours

Other Pertinent Information

Years of Scholary and Year 12 Equivalent

In order to be eligible for certification as a teacher in PEI you are required to have a minimum of 16 Years of Scholary, which includes completion of your Year 12 equivalent (also known as Grade 12 or High School equivalent). Generally, a Year of Scholary is earned for every year of formal education you have completed, beginning with Year 1 education at the elementary or primary school level.

Because Years of Scholary and Year 12 equivalence can vary so much between countries and even within them, the PEI Office of the Registrar calculates the Years of Scholary and Year 12 equivalence for each application on a case-by-case basis.

Language Proficiency

You do not need to provide satisfactory results on a language proficiency test if you have completed ***all of your*** post-secondary education in English or French.

In Scotland, English is typically the language of instruction; hence, in most cases, applicants who have completed their post-secondary education in Scotland do not require language proficiency testing. For more information on language proficiency, including acceptable tests and test scores, see our **Resource Guide: "Welcoming Internationally Educated Teachers to PEI."**

The **Resource Guide** is available online on the Department of Education and Early Childhood Development's website. See the following link:
