Universities and Other Higher Education Institutions Recognized in Prince Edward Island (PEI)

Only those higher education institutions that are established or approved by an appropriate educational authority (usually a government body) are recognized by the PEI Office of the Registrar.

In the case of Taiwan, we recognize those higher education institutions that are established or approved by Ministry of Education or national government authority.

Taiwan's Ministry of Education includes on its website a list of all recognized higher education institutions which are authorized to issue qualifications. If your higher education institution is found on that list, then most likely we recognize it.

For a link to that list on the Ministry of Education's website, see:

Obtaining Academic Records

In Taiwan academic records or official transcripts are issued by universities and other higher education institutions.

When seeking to obtain your academic records or official transcripts you are generally required

to submit a **written request by fax, email or post** to your university's Academic Records Division. Your full name, date of birth and student ID number (if known) should be included. Generally, information cannot be provided over the phone.

Academic records or official transcripts must be mailed directly to us from every higher education institution you have attended. We will not accept transcripts submitted by you even if they are sealed or notarized. We will not accept transcripts by fax or email. Transcripts received must be in the original language of issue.

If the PEI Office of the Registrar receives transcripts in languages other than English or French, we will send a copy to you. You will need to have the documents translated into either English or French and send the original translations to us.

Obtaining Statements of Professional Standing

A Statement of Professional Standing is a document that states you are a teacher in good standing and that your teaching license has never been revoked, cancelled, or suspended for any disciplinary reasons. This document usually comes from the government body or other licensing body that oversees teachers.

A Statement of Professional Standing is required and may be obtained from the Ministry of Education. Additional Statements of Professional Standing are required from all other jurisdictions where you have held or hold a teaching certificate. All Statements of Professional Standing must be mailed directly to the PEI Office of the Registrar.

Teaching Certificate

In Taiwan teaching certificates are issued by the Ministry of Education. If you have a teaching certificate, submit a photocopy of it to the PEI Office of the Registrar.

If you do not have a teaching certificate, mail a photocopy of your original teacher education degree or diploma to us.

Credit Hour Equivalencies

Taiwan has no national credit system. Universities and other higher education institutions have their own credit systems.

Because credit systems in Taiwan can vary so much between higher education institutions, the PEI Office of the Registrar calculates the credit hour equivalencies for each application on a case-by-case basis.

Other Pertinent Information

Years of Scholary and Year 12 Equivalent

In order to be eligible for certification as a teacher in PEI you are required to have a minimum of 16 Years of Scholary, which includes completion of your Year 12 equivalent (also known as Grade 12 or High School equivalent). Generally, a Year of Scholary is earned for every year of formal education you have completed, beginning with Year 1 education at the elementary or primary school level.

Because Years of Scholary and Year 12 equivalence can vary so much between countries and even within them, the PEI Office of the Registrar calculates the Years of Scholary and Year 12 equivalence for each application on a case-by-case basis.

Language Proficiency

You do not need to provide satisfactory results on a language proficiency test if you have completed all of your post-secondary education in English or French.

In Taiwan, Mandarin is typically the language of instruction; hence, in most cases, applicants who have completed their post-secondary education in Taiwan will be required to provide satisfactory results on a recognized English or French language proficiency test as a condition of certification. For more information on language proficiency, including acceptable tests and test scores, see our **Resource Guide: "Welcoming Internationally Educated Teachers to PEI."**

The **Resource Guide** is available online on the Department of Education and Early Childhood Development's website. See the following link:
