

For Island homes

Subsidized home energy assessments

- \$99 plus tax for the client

Home insulation rebates

- Starts with a home energy assessment
- Rebates on air sealing and insulation improvements and ENERGY STAR® windows and doors
- Financing available to help with upfront cost

Energy efficient equipment rebates

- Savings on ENERGY STAR® certified equipment including heat pumps
- Additional rebates for low income homeowners
- Financing available to help with upfront cost
- Heat pumps must be supplied and installed by a Network of Excellence contractor

Solar electric rebates

- \$1,000/kilowatt installed, up to 40 per cent of installed costs to a maximum of \$10,000
- \$350/kilowatt installed, up 40 per of installed costs to a maximum of \$10,000
- Must be installed by an approved Network of Excellence solar installer
- Financing is available through the Government of PEI to assist with upfront costs

Winter Warming

- Tenants and homeowners with low-to-moderate income can access free air-sealing and energy efficient upgrades

New home construction

Incentives for home builders to choose energy efficient products and building techniques such as air sealing, high R value insulation, EnerSave windows and doors, and energy efficient heating equipment

- Certified Energy Advisor to review building plans before the build
- Customized recommendations to improve the energy efficiency of the design
- Depending on the efficiency, rebates of up to \$5000
- New home will be assigned an EnerGuide rating that confirms the home is comfortable, efficient and saves money.

For community organizations and businesses

Community energy solutions offers incentives for businesses/agricultural/non-profit organizations to reduce energy consumption

- Large operations may be eligible for an onsite energy manager to help them save energy
- Rebates on energy efficient lighting and equipment for businesses and community groups
- Rebates on solar electric installation

Multi-Unit Residential Buildings

For duplexes, townhouses, and apartment buildings. Each unit must be separate and self-contained. This program allows for:

- Home Insulation Rebates
- Energy Efficient Equipment Rebates
- Winter Warming (for low income residents)

Contractors and energy efficiency

Island contractors make energy efficiency possible for Island homes, businesses and community groups.

Contractors influence the decisions of Islanders when it comes to upgrades or renovations, and they can help residents save money and reduce energy use.

If you need information on energy efficiency incentives that may help your clients, get in touch.

Visit us at efficiencyPEI at 69 Belvedere Avenue in Charlottetown or at Access PEI in Summerside. Program information is also available at any Access PEI location.

This information is brought to you in partnership with:

**Construction Association
of Prince Edward Island**

Canada

This program is funded in part
by the Government of Canada

Network of Excellence

The Network of Excellence is a group of local contractors who deliver energy efficiency upgrades and ensure that efficiencyPEI clients receive high quality, consistent and reliable service.

Using a Network of Excellence contractor is mandatory for air source heat pump and solar photovoltaic efficiencyPEI rebate programs.

To find a Network of Excellence Contractor, visit **efficiencypei.ca/network**

DPC-1130

Join the Network

The Network of Excellence is list of contractors vetted by efficiencyPEI that do energy efficiency work, meet provincial regulations and standards and have agreed to follow a code of conduct established by efficiencyPEI.

In addition to the promotional opportunities provided through the rebate programs, efficiencyPEI will provide the contractors:

- Ongoing workshops
- Continuing education
- Consistent updates on changes to rebate programs
- Trade specific training
- Marketing opportunities
- A business listing on efficiencypei.ca

If you are a contractor and wish to be a part of this network please contact efficiencyPEI at **1-877-734-6336** or **efficiencypei@gov.pe.ca** to receive a copy of the participation agreement.
