

## French Immersion Program

### Home Learning Activities grades 4-6

#### **General guidelines for parents or guardians :**

- Below you will find a list of activities (both online and offline) that you may use to support your child while they continue to learn from home. If something is too difficult, students can move on to something else.
- There will be no testing on the activities provided here.
- Consider completing a variety of literacy, numeracy, health and well-being activities during the week.

\*Begin by creating a learning space for your child (with paper, pencils, crayons, markers, notebooks, notepads, etc...) if possible.

#### Literacy

**Oral language communication in French:**  
20 min./day

- ✓ Via Facetime or another app, share with classmates favorite books that you've read, activities over the March break, opinions and feelings.
- ✓ Try phone conversations with classmates in French.
- ✓ View French movies or music on Youtube (age appropriate). Suggest a classmate watch the same movie or music to discuss afterward.
- ✓ Prepare a promotional video for a movie to share with classmates or teacher.
