## NEW WHMIS 2015 RESOURCES

### New Guide Available

The Workers Compensation Board of PEI has a new guide available for employers and workers which reflects the new Workplace Hazardous Materials Information Systems (WHMIS) regulations. The new WHMIS regulations for Prince Edward Island came into force on July 29, 2017.

***Guide to WHMIS 2015 for PEI Workplaces***, as well as some other WHMIS-related publications produced by the Board, are available online at:

[www.wcb.pe.ca/Workplace/Publications](http://www.wcb.pe.ca/Workplace/Publications)

Additional information on WHMIS is also available at [whmis.org](http://whmis.org) or by calling the Board's OH&S Division at 902-368-5697.

### New Information Sessions

The OH&S Division of the Board is also planning information sessions on the WHMIS regulations changes, to be held in multiple locations across Prince Edward Island.

The information sessions are scheduled for one hour and will offer a brief look at the changes to WHMIS and the impact on employers. The sessions will highlight employer responsibilities, including education and training of workers, and components of a WHMIS program.

Sessions in Wellington, Charlottetown and Summerside are currently scheduled for October and sessions in Montague and Souris are

scheduled for November. Please check the WCB OH&S calendar of events for session dates for these locations, as well information on who to contact to register:
