## ENVIRONMENT TAX COMMISSIONS

Subsection 4(1) of the Regulations to the Revenue Administration Act has been amended to change the calculation of commissions paid to registered vendors effective April 1, 2012. As a result of this amendment, registered vendors which reported more than \$10,000 in environment tax in the prior fiscal year of the Province are not eligible for a commission on the environment tax they collect and report to the Province in the current fiscal year of the Province.

Registered vendors which reported \$10,000 or less in environment tax in the prior fiscal year of the Province will continue to be eligible for a commission. However, the maximum commission allowed will be \$300 per fiscal year of the Province.

This change will be effective commencing with the April 2012 environment tax return. A monthly "Vendor Return" is available on our web site at <http://www.gov.pe.ca/forms/pdf/17.pdf>. Please refer to this return when filing your environment tax return.
