Terms and Conditions Inclusions

- IIDI reviews applications for the Provincial Nominee Program based upon the eligibility requirements and selection factors set out in the guide and application. You must meet these eligibility requirements to be considered for nomination. To determine if an Applicant meets the requirements of the Program, carefully review the information in the guide and application prior to submission.
- **An Applicant's satisfaction of the eligibility criteria does not, under any circumstances, guarantee nomination.** Priority will be given, in accordance to IIDI's mandate from the Government of Canada. Under the Co-operation Agreement with the Federal Government, the Province has "the sole and non-transferable responsibility to assess and nominate candidates who, in Prince Edward Island's determination: (a) will benefit the economic development of Prince Edward Island; and, (b) have a strong likelihood of becoming economically established in Prince Edward Island."
- Any misrepresentation, false statement, and/or concealment of information on the part of the Applicant, or anyone acting on behalf of the Applicant, including any inconsistencies between an Applicant's registration information and application, may, at the sole discretion of IIDI, result in the rejection and termination of the application, forfeiture of the application fee, cancellation of an Applicant's nomination (if applicable), and ineligibility of the Applicant to register with or apply to the PEI PNP for two (2) years from the date of rejection or cancellation.
- Misrepresentations may occur and be identified by IIDI at any point throughout the application process. IIDI may take any of the above noted recourse steps immediately upon oral notice of the misrepresentation to the Applicant, or anyone acting on behalf of the Applicant. Such notice shall be confirmed in writing to the Applicant, or to the party acting on behalf of the Applicant, as applicable, within 10 days of issuing oral notice.
- An Applicant is deemed to have full knowledge of the contents of its application, notwithstanding whether such application is submitted by the Applicant or by a party acting on behalf of the Applicant. For clarity, any misrepresentation, false statement, and/or concealment of information by anyone acting on behalf of an Applicant shall warrant the same treatment and be subject to the same consequences as a situation where the Applicant has personally submitted their application. Recourse for breaches committed by anyone acting on behalf of an Applicant, and any consequences to an Applicant resulting from same, shall be limited to direct personal actions and claims as between the Applicant and the party acting on their behalf.

Declaration Inclusions

- The Applicant, or the party acting on behalf of the Applicant, as applicable, hereby confirms that the Applicant has read and understood the Terms and Conditions relating to the Applicant's application. If this Declaration is being made by a party acting on behalf of the Applicant, such party confirms that they have personally read and understand the Terms and Conditions, and that the Applicant has read the Terms and Conditions in such party's presence, and has affirmed their understanding of same to the party acting on their behalf.
- The Applicant, or the party acting on behalf of the Applicant, as applicable, acknowledges and agrees that IIDI may process completed applications in any order, regardless of date of submission, having regard to the Province's "sole and non-transferable responsibility to assess and nominate candidates who, in Prince Edward Island's determination: (a) will benefit the economic development of Prince Edward Island; and, (b) have a strong likelihood of becoming economically established in Prince Edward Island."
