GASOLINE TAX

NOTICE

GTN: 286

October 2017

INTERNATIONAL FUEL TAX AGREEMENT

TAX RATE INFORMATION

INDIANA FUEL TAXATION CHANGES

During the 2017 legislative session, Indiana's General Assembly enacted a series of changes to Indiana's motor carrier fuel taxation laws. Therefore, as of July 1st, 2017, the surcharge tax for Indiana is now included in the price at Indiana pumps, but only for "Special Fuels" (which includes **special diesel**, biodiesel, CNG, and LNG). The Indiana surcharge tax will no longer be collected through the carrier's IFTA quarterly fuel tax return.

However, the collection of the surcharge tax on the consumption of **gasoline** is still done entirely through a carrier's IFTA quarterly fuel tax return.

As a result of these changes, the Indiana tax rates for Q3 2017 will be:

	Special Diesel	Gasoline
Line 1 for Indiana (IN)	0.1640	0.0907
Line 2 for Indiana (IN/SUR)	0.0000	0.0733

These changes will be reflected on the 3rd Quarter IFTA Quarterly Tax returns (and subsequent returns) provided by Taxation and Property Records to PEI IFTA carriers.

For information on Rates in other jurisdictions and for other fuel types, please visit www.iftach.org.
