

## Playdough Activities:

Let's knead, squeeze, roll and cut playdough!

- 1) Make as many playdough sausages as you can in one minute then cut up the sausages with scissors.

- 2) Place a ball of playdough in your hand and squeeze as hard as possible, making the playdough ooze between your fingers.

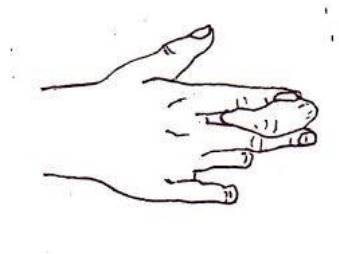

- 3) Make a snake by rolling the playdough and keeping your fingers straight

4) Make the snake have stripes by pinching the snake from the head to its tail

5) Create finger scissors by placing the playdough between two fingers & squeezing them together. Repeat with every finger.

6) Make a bowl by rolling a ball of playdough & then placing your thumb in the middle and pinching all the way around.

7) Make a bird's nest by pinching the playdough between the thumb & fingers, then make eggs for the nest by rolling playdough into balls.
