Guidelines for Serving Weekend and Intermittent Sentences at The Provincial Correctional Centre

You have been sentenced to serve a weekend or intermittent sentence at the Provincial Correctional Centre.

This brochure will give you the information you will need.

- **You must** show up at the Correctional Centre at the times and dates the Judge has listed on your warrant.
- **If you do** not show up on time, you will be considered to be Unlawfully at Large and will be charged by the police. If you are found guilty, you not only have to serve your sentence, you have to make-up the days you missed.
- **You cannot** get permission from the Correctional Centre to take time off from your sentence to attend a special event or to miss a period of your sentence. **ONLY A JUDGE** can give you permission.
- **You are** responsible for your own transportation to and from the Correctional Centre to serve your sentence. If you **cannot** make it because of storm or road conditions, or other reason, you will still be considered to be Unlawfully at Large and charged. It is up to the police and Crown Attorney to drop the charges if there is a good reason.

Arriving at the Correctional Centre

- The Provincial Correctional Centre is tobacco free. There is no smoking allowed anywhere on the property. Do not bring any smoking materials with you.
- You will be strip-searched when you arrive at the Correctional Centre. The strip-search will be done by a Correctional Officer who is the same sex as you in a private area of the Centre.
- **You are not** permitted to be under the influence of alcohol or drugs, or smell of alcohol when you arrive, and can be charged with another criminal offence.
- **You will** be given clothing, bedding, and toiletries (soap, toothpaste, etc) to use when you are here.
- **Your valuables** (watch, wallet, cell phone, etc.) will be locked away for safe-keeping and returned to you when you leave.
- **You may not** bring personal books or magazines with you, but educational books may be approved by management.
- **You will not** be allowed to have visitors or telephone calls during your weekend or intermittent sentence, but you will be able to use a telephone to call your ride or taxi when you leave.

Medical Needs While You are Serving Your Sentence

- If you are on medication, or have a health problem, contact the Correctional Centre nurse at 902-368-5861, immediately after you are sentenced. The sooner you contact the nurse, the better, so arrangements can be made to assist you with any medical issues.
- **Bring your** Health Card with you.
- **If you** are a Diabetic, bring your blood glucose testing kit and your insulin.
- **Do not** bring in any other home medications.
- **Before you arrive**, call the nurse to give her a list of your home medications, your doctor's name and your pharmacy's name. The nurse will get in touch with the Correctional Centre doctor and have your medications ready for you when you arrive.
- Once you have been admitted by a Correctional Officer, you will be seen by the nurse. It is important that you give the nurse all your important medical information.
